	County and District Cllr Susan Baker sent apologies to the meeting, there was no report.	
7	Clerk's Progress Update and Correspondence	
7.1	Uttlesford has notified of changes to the Local Plan timetable. The consultation on Regulation 18	
	which sets out the vision for where new housing could be built in the district and policies to support this, has been delayed from May to November 2022. As a result, it pushes the date	
	when the Local Plan could be adopted from July 2024 to April 2025. The delay is the result of a	
	significant new site being identified and requiring time to evaluate.	
7.2	The Clerk attended the Town and Parish Council forum for Dunmow Essex County ward which	
	was hosted by the CEO of Uttlesford in early July. The topics discussed included the Local Plan,	
	planning resourcing and the challenges this causes both at district and parish, planning support

	for parishes, lack of enforcement, and the use of Uttlesford office space including the former Winfresh site at Little Canfield.	
7.3	Notification of a change to premises licence for Charles & Mike Distillery Ltd, Unit 9, Marks Hall, Marks Hall Lane. The current premises license allows for 24-hour Monday-Sunday online retail of alcohol to be delivered and consumed off the premises. Uttlesford consulted on a premises licence variation for the sale of retail alcohol on the premises, open from 10:00 to 23:00 Monday-Sunday. This premises licence variation also seeks to increase the current licenced area. The parish council had no comments.	
	Councillor's Updates	
8.1	Environment and Health	
	The ditch behind The Gossetts was cleared by Uttlesford. Cllrs had some concerns that this had not been dug deep or wide enough and all outlet pipes cleared, however given the ditches location recognised the need for Uttlesford to balance safety. Essex County Council confirmed the landowner is responsible for paying the +£1k for the traffic order plus traffic management where large machinery is required to clear ditches. The Clerk was asked to write to the Essex County Council cabinet member for Highways for assistance in enforcing ditch clearance.	Clerk
	Cllr Phillips confirmed that local knowledge suggests one of the cars in The Gossetts car park has been 'dumped'. The Clerk to speak to Uttlesford for assistance in removing.	Clerk
