Margaretting Fun Day and Horticultural Society

Saturday 9th July 2022

between 1pm and 5pm

The Spitfire flypast has been confirmed! This is always a wonderful sight to see, an emotional part of the day that links us to the show's historic beginnings in 1946. After the success of the Victory Show the year before, the Margaretting Horticultural Society was formed. This

has become an integral part of the village's yearly calendar ever since for all the community to enjoy. It is a wonderful legacy that we hope will continue to be part of this lovely village for many years to come.

If you would like to be involved on the committee, be a part of the show on the day or just have some ideas to put forward of what you would like to see, then please do get in touch.

It would be very much appreciated if there were any donations of raffle prizes, tombola items, wine bottles (full or empty) to 4, Wantz Road Cottages and crockery for our Crockery Smash. Our committee's email is: margarettingfunday1946@gmail.com or call Lorna, Margaretting Horticultural Society, on 07873366166.

For the gardeners amongst you here are some tips for June: Pinch out the side shoots on your tomatoes. Hoe borders to keep the weeds down. Harvest early potatoes, lettuce, radish and other salads. Mow lawns weekly leaving an area uncut for the wildlife. Regularly water pots.

As both the air and soil temperatures are higher at the moment, it is a great time to sow seeds and plant young plants. Just remember to keep sufficiently watered to promote healthy growth.

The birds will be busy collecting caterpillars for their young and bees, butterflies and moths are all helping to pollinate the flowers. Please find time to sit and enjoy watching them.

Items discussed at April's parish council meeting

Queen's Jubilee: Banners advertising the event have been erected at the crossroads; a flyer has been designed to be circulated with the newsletter; the Black Bull will apply for an alcohol licence for the event (temporary event notice).

Blue Plaque: A request to erect a plaque to commemorate Maud and Mildred Petre will be referred to Lord Petre to see if the Petre family was approached in the first instance. Mildred was a pioneer with Bentley and is listed in the Guinness Book of Records.

Maldon Road Allotments: The parish council is looking to seek a variation to the terms of its lease with Chelmsford City Council to allow small garden sheds (6' x 4') to be erected on the allotments.

Maldon Road Playing Field: CHP has confirmed the large conifer trees growing along the boundary do belong to CHP and it would not be doing anything to reduce their size because the cost would be too much for its budget and the trees are not detrimental to its properties. The parish council is going to contact CHP to see if the trees can be trimmed back with a pole saw.

Margaretting Tye: Permission has been obtained to cut back the weeping willow growing by the White Hart at Margaretting Tye. Quotes have been requested from three local tree surgeons.

War Memorial: The tree surgeon awarded the work for the weeping willow at the Tye will be asked to look at the two weeping pear trees on the war memorial green.

Queen's Green Canopy scheme. The parish council will check the distance allowed from the road for trees planted in the verge.

Spring Litter Clean: There had been a very poor turn out. Parish councillors cleared their own areas and one resident cleared Parsonage Lane.

A12: The road is to be rebuilt between junctions 13 and 15. The work will start this Autumn and will involve removing some foundations and replacing the concrete road surface with asphalt. To cause the least disturbance possible there will be a contraflow traffic system.

Date of Next Meeting: Thursday, 9th June at 7:30pm in the Meeting Room at the village hall.

MARGARETTING VILLAGE HALL — CHAIRMAN'S REPORT 2022

When the time came for me to write my report for today I realised that I was unable to get my mind round all the events over the past two years, so I apologise for not being able to give you a clear picture. What did strike me was that we have managed to survive, so far. This is clearly due to a number of factors. Firstly, our financial adviser, Penny Doyle, has always advocated that we should retain enough funds so that we could survive for a whole year without any income. I always accepted this concept as a sensible precaution, but I never expected that we would need it. How wrong can you be?

Penny's planning meant that when we had to close because of Covid we were prepared. Secondly, the smooth day to day running of the premises was totally down to Lynn Cameron. As booking secretary she coped with the communication with our hirers, keeping them in touch and informed. She managed all the health requirements, posters and goodness knows what. As secretary she did a splendid job obtaining grants to help us survive. Thirdly, we got valuable support from Government, City Council, Parish Council and the community.

What touched me most was that a family from the village made a financial donation in memory of a lost loved one be-

cause she had had such lovely memories of attending events at the village hall.

I would now like to mention a few changes to the team. We have sadly lost Sheila and Harry Blurton who will be greatly missed, especially Harry with his building management expertise. However we have been very fortunate to get two new members. A welcome to Di Smith who has already proved to be very active in a practical sense and has sorted a number of problems for the village hall, she loves to get things done. We also welcomed Lorna Cannon, who represents the Fun Day and Horticultural society and is clearly a very experienced committee member with excellent links to several organisations in the village.

Looking forward there is a number of problems we have to face. Lisa Baker, our excellent cleaner, is leaving and also Lynn can no longer cope with two jobs so we are not only looking for replacements for these jobs, but also new members to join the committee.

Michael Scott, Chairman Village Hall Committee

MARGARETTING POND

If anyone has time to lend a hand at the pond conservation and maintenance session on Sunday, 26th June at 9:30am you will be most welcome. For more information please contact Tom Davey on the Village Pond WhatsApp group - 0737 537 3804.

CAMEO CLUB

We held our May meeting in the village hall where we enjoyed a traditional fish and chips 'take away' from the Black Bull and another of Rosemary's film show of the different places, local and not so local, that she and we have visited over the years. A big thank you to our Phyliss for organising and providing lunch and the raffle prizes.

This month, Thursday, 9th June we will be meeting at 1:30pm for lunch in the Running Mare (Galleywood). If anyone would care to join us we would love to see you. Just let us know a couple of days before so we know approximate numbers to expect and who would like the offer of a lift there. For further information contact Rosemary Carter on 01277 350553.

MARGARETTING BOOK CLUB

The 'Thursday Murder Club' by Richard Osman was thoroughly enjoyed by some members whilst others found it disappointing and boring. The book is about a group elderly amateur detectives residing in a gated retirement village who find themselves investigating an actual real life killing. We are currently reading 'The Girl at the Lion D'Or' by Sebastian Faulks. For more information about the book club please contact Penny Savill on 01277 356182.

MARGARETTING CRAFT GROUP

If you would like to learn a new craft, or set aside time to complete an on-going project, please come and join us. Our next meeting will be on Monday, 6th June at 7:30pm in the Chelmer Room at village hall. For more information please contact Lynn Edwards on 01277 354462.
