ST MARGARET'S CHURCH

Our Harvest Festival will be held on Sunday 29 September at 10am. It's one of the oldest and traditional festivals in Britain taking place on or near the Sunday of the harvest moon. A time when farmers give thanks for a successful harvest. Do come along and join us. The church will be decorated to reflect the harvest season.

Please see below the Diocese of Chelmsford's notice renewing the suspension of presentation to the Benefice of Margaretting with Mountnessing and Buttsbury for a further five years. This suspension will allow the diocese further time to complete and consult on the pastoral reorganisation proposals for the benefice. A copy has been placed on the noticeboards for all three churches.

It is with sadness that we announce the death of Walter Price, a long-time resident of Margaretting. Our thoughts and prayers are with Marian and his family and friends. Walter's funeral will take place in St Margaret's on Tuesday 10 September at 2pm; the service will be conducted by The Revd Cannon John Brown.

St Margaret's church will be open all day on Saturday, 14th September for visitors and participants of the Friends of Essex Churches 'Ride and Stride' event.

MARGARETTING PARISH - www.essexinfo.net/margaretting COMMUNITY WEBSITE FOR THE VILLAGE OF MARGARETTING

CAN YOU HELP AND/OR ADVISE?

Margaretting's community website was set up via Essex-Info.net in 2008 as an easy-to-use and affordable solution for the parish council and village community groups to publish content online. Since then, the online world has changed enormously in terms of possibilities, expectations and requirements.

EssexInfo over the years has concentrated on maintaining its website not developing it. To update it now to offer all the modern features of other hosting providers would require significant investment. For that reason the website Essexinfo.net will close on 31st March 2020.

The closure of EssexInfo means Margaretting will need to set up a new site with another provider.

We understand there are a number free web hosting sites. Unfortunately, the current administrators for the Margaretting community website do not have the technical know-how or website expertise to decide which would be the better option. Hence, this appeal for your help.

We would love to hear from you if you are able to help or advise on the best way forward for Margaretting.

ST MARGARET'S SUPPORT GROUP

Last month there were several problems which needed our immediate attention. The church sound installation, amplifier, speakers and induction loop needed an overhaul. A leaking water pipe and water heater needed repairing. We are glad to report the plumbing repairs have been completed. The sound system is up and working properly - in good time for the school's harvest service.
