

| | |
|---|---------------|
| A representative from the LEF visited to view Phase One. JH got the impression that the representative was pleased with the result, which should help with the application for funding for Phase Two. | |
| KD suggested putting a plaque up with the names of all the people and bodies who provided money for Phase One, and possibly invite users to open it. It was decided that officially opening Phase One would be better done once the hall floor was done, or at least when it was known when it would be going to be done, so that an announcement about Phase Two could be made at the same time. | |
| It is likely that Phase Two will not happen this summer due to grant delays, as the committee is still waiting to hear the decision of Sport England. | |
| KD was thanked for all his hard work on the building projects. | |
| JF has a complete list of hall users. It was suggested that the data could be put on the laptop. It was suggested that it first be checked whether this is acceptable under GDPR, but that as the laptop is password-protected it would probably be secure. It was queried whether Blackburn Alarms can access the laptop. They can, but only under certain conditions when somebody is present to allow them access. | |
| The Blackburn Alarms system works as specified. | |
| The AGM will be held on 11 th July. Notices have gone out. | |
| Leaflets and notices have gone out about the walking treasure hunt on 7 th July. It was suggested that hall users could do some events whilst the treasure hunt was taking place. A performance by the singing group and another musical interlude are already planned. The yarn-bombing is in progress. GH is doing something involving painting stones. JH has the treasure hunt nearly finished. It was suggested that it should be £2 to enter. The cafe will run. There will not be a tombola, but there will be a raffle. JF will enquire regarding potentially having a bar, though there may not be enough notice. | JH, JF |
| JF suggested putting up the booking prices from 1 st August by £1 on the hall and £2 on the meeting room. JH suggested one price for regular users and one for one-off users. It was agreed to implement higher prices with an increase of £1 on the hall to £15 per hour, and £1 on the meeting room to £6 per hour. All prices remain for guidance only. | |
| KD commented that JF does a fantastic job. JH seconded. | |
| The meeting closed at 8:27 pm. | |

The next meeting will be held on Wednesday 8th August at 7:30 pm.
