Coronation Street Party**

OVRA AIMS TO IMPROVE THE VILLAGE FOR ALL OUR RESIDENTS

We do this by:

- **Promoting our Community;** such events/activities over the last year have included the Platinum Jubilee Street Party, the Advent windows programme at Christmas and the Easter Egg Hunt.
- **Improving our Environment;** primarily this is through the upkeep of the Centenary Garden which we manage on a voluntary basis.
- **Sharing Information;** We offer talks on local attractions such as the Hogs Back Brewery, but also try to keep villagers up to date with local planning issues which could affect the wider village community such as the proposed building developments nearby and the process and progress of the review of our primary healthcare services currently taking place.
- **Representing the Village;** as your official Residents' Association, Local Government comes to us when it seeks community engagement. A committee member sits on the Guildford wide 'GRA or Guildford Residents' Association' and also on the NHS Stakeholder Committee for Primary Healthcare. Local councillors also have open channels with the committee with respect to development, traffic issues etc.

Please help OVRA with our work for the community as a volunteer?
