AGAR 2025 / 2026

Section1. Annual Governance Statement.

Explanation.

10. The Parish Council answered NO to this assertion. This is because the Parish Council does not have a Council controlled domain that is either .gov or .org. website.

The Parish Council has purchased the Domain – Pleshey-PC.Gov.uk. The Council currently uses an E-Voice webpage that is free.

The Parish Council is using the new e-mails and will commission the new website during Financial Year 2026 - 2027.
