Thank you

Knit and Natter would like to thank the resident of Mayphil Park homes who has given us lots of craft supplies which are no longer of use

to her. They are of use to us, and are being used! We apologise for the delay in thanking you, but even if delayed it is heartfelt.

St Patrick's Ceilidh Saturday, 16th March, from 7pm South Hanningfield Village Hall Featuring The Yardarm Ceilidh Band We are planning a ceilidh with ceilidh dancing and a Raffle. Tickets cost £8 per person. For further information, email vallisc@aol.com or phone 07891 653238.

From the wonderful reception we have had for the warm hub the Hall Management Committee have decided to extend the idea and create a "COMMUNITY HUB" every Wednesday. Continuing in the committee

room. Teas, coffees and home-made cake. Bring your lunch, or a constituent part to share with others. There will be what is termed "an American Buffet". All Welcome.

Bookings as always are taken by Dianne Francombe on 01245 400297. Please telephone for availability.

More children's parties booked in the hall, with a few other events added. Bookings for regular events for 2024 are in, leaving space for other events.

Booking forms and terms and conditions are on the web, but sent by post as well.

The website has a calendar of events and we try and keep it up-to-date, so check there first. All the Horticultural events have been added so a chance to see what they have to offer too.

Rettendon Horticultural Society

The recent mild weather has brought everything forward by a couple of weeks and it's starting to feel like Spring. I just wish it would stop raining! However, it's too soon to be doing much outside because, remember the "Peast from the Feet" arrived in the first

remember the "Beast from the East" arrived in the first week of March.

It's a good time to be getting top off the weeds before they seed. They seem to survive whatever the weather!

March is a busy time for the Horticultural Society with our first talk of the year on Tuesday

the 12th March by Sandra Lawrence, the author of the book Miss Wilmott's Ghost. Helen Wilmott was the first woman to be

admitted to the Royal Horticultural Society. Her property Warley Place has the most amazing display of acres of daffodils and is the venue for our first trip on the 14th March. The talk will be at Rettendon Village Hall at 7.30. Members go free. Non

members £3.

Our Spring Show is on Tuesday the 19th March at the village hall. Entries from 6.45 and judging at 7.30. Tea, homemade cake, a raffle and a quiz. Open to all not just members. RHS Hyde Hall is holding a daffodil show on

the 20th and 21st March and is well worth a visit. Our Society can only survive if we maintain a good number of members. I fear that the future of Horticultural Societies in general is threatened, largely due to an ageing membership. Maybe the use of the word "horticultural" puts people off from joining. Perhaps we should best describe ourselves as a gardening club. We are, after all, just a group of people who share an interest in growing things and keeping our

gardens looking good. We welcome new members.

Give us a try. Membership is only £5 a year.

John Bruty, Chairperson

School Gardening Monday Lunch-Time Club.

The raised beds for the club were replaced in the half-term. It just needs us to add a bit more compost and to seed and plant it out with the children.

As we mentioned last month this is now a

FREE club at Monday lunchtimes for any

child who wishes to join us. We know the children like their playtime too, so they can plant a seed perhaps, do some watering, plant bulbs, then go to play whenever they like.

- **Class potato growing competition**. Now an annual event. We will be planting up the bags with the children when we can and will ask each class to look after their own. Then just before the summer show we can experiment
- own. Then just before the summer show we can empty them with the children and they will weigh them. An all
- -round educational exercise science (growing),
- weighing, and maths to see who wins.

Winter Weather Advice from Essex & Suffolk Water who offer advice to Rettendon and Battlesbridge residents following the onset of the dangerous mix of freeze/thaw weather which cause the ground to swell and move around leading to a higher risk of underground pipes to move, crack and burst. Essex & Suffolk Water have their specialist teams often working around the clock to keep the water flowing through sound pipework and not just allow it to drain away and be wasted.

Of course you can help yourself by lagging un-protected pipework in unheated parts of your home say up in your loft, in your garage and don't forget outside taps. Make sure you know where the stopcock is and so if you need to you can easily get at it so you can turn the water off.

Everyone needs a little help from time to time and helpful information is available on Essex & Suffolk Water's web site on-line leakage portal or on social media. You can even sign up on behalf of someone else, so please think of your neighbours, friends & family who may need that important extra support.

St George's Day on Tuesday, 23rd April from 7.30pm South Hanningfield Village Hall CM3 8HL have

returning the wonderful "Cockney Pride" for an evening of sing along and flag waving with the Pearly King and Queen. Tickets cost £15 each.

Bring your own drinks and party food. For tickets, please call Emma on 07961 963914.

Battlesbridge Free Church

How sad it is to hear on the radio the other day that quite a few people now are nervous or fearful of using public

transport, in case they might be caught up in threatening or anti-social behaviour. So a new group of guardians is contemplated to ride on buses to be ready to combat aggressive or bad behaviour. Jesus Christ came into our world to show us a better way to live our lives so that we could live peaceably with our neighbours and not need to live in fear. It seems only a short time ago that this way of life was the basic ethos in our schools and so generations grew to adulthood with Christian guidance as their base for moral behaviour.

A few years back there were those who felt that young children and adolescents should be given more authority over their lives. Parents, teachers and those in authority were made uncertain of their natural role over the young and disciplined behaviour in young people became a bit of a lottery. We are so fortunate in our country that ordinary life is fairly stable and self-discipline is seen in most young adults. Our heritage of following Christ's teaching of helping those less fortunate still prompts food banks and generous giving to charities. There are those who feel that this outlook in life is of themselves, but it is not so. Our inheritance is of God's rule, in and through his Christ.

The very foundations of education for all and setting-up schools and colleges was prompted by those with a form of Christian faith. Hospitals and health care were likewise prompted by persons of faith and belief in Christ's way. Following His way and example of caring, honesty, treating others as you would treat yourself acknowledging the beauty and wonder of the natural world, is not old-fashioned nonsense but the very breath of life. **June Edwards**

Little Darwin's Nursery

Another busy month in nursery, the children have enjoyed exploring rain and had a lot of fun splashing in the biggest puddles they could find! They also used powder paint in the rain to create various different patterns on our wall. They also made rain makers with coloured rice and took these home.

The children really enjoyed taking part in the Big Bird Watch and spent lots of time outside counting the birds that they could see, they also made bird feeders which were

taken home to put out in their own gardens.

We celebrated Chinese New Year and the children took part in dragon dancing and enjoyed a delicious traditional Chinese meal. We also had a visitor to nursery when Dimitri the Dragon came to see us and gave all the children fortune cookies.

Pancakes were enjoyed on Shrove Tuesday for afternoon snack, the children also had lots of fun flipping cardboard pancakes too. We are now all looking forward to seeing signs of spring and some warmer weather and the fun that Easter brings.

Jeanette Freeman-Smith, Administrator

Flooding in South Hanningfield Road

This has been an ongoing problem for some time. Back in November Councillor Keith Marshall got in touch with Lee Bellinger of Essex Highways, the Flood Enforcement Caseworker.

They met up in South Hanningfield Road on Friday 17th November to discuss what could be done. Information between all parties was exchanged to agree to a plan to solve the flooding, rather than just alleviate the problem for a short time.

Subsequently to that meeting the jetting team was dispatched to clear the gullies and pits as they appeared to be partially blocked.

A problem with the ditch was also mentioned and the landowner has been contacted to ask if he could clear the section of ditch to expose the inlet pipe. There appear to be willow roots in the ditch stopping the flow of water down the pipes.

More work is to be done with need for a road closure to access some of the pipes to improve the drainage. However, as each road closure takes at least 8 weeks to be authorised this is a slow business.

We will try and keep people informed - but something not only is being done, but has been ongoing since last year.

Councillor Keith Marshall, Rettendon Parish Council.

Garden Notes

Warmer climes have brought all the flowers out with a rush. Lots of surprises surviving. Not a lot of exotic items in my patch!

Several varieties of snowdrop have arrived from other sources. Wow.
