School Gardening

...

We are pleased to announce Rettendon Horticultural Society have provided the School with new troughs

the courtyard and new raised beds for the gardening club. Year 5 pupils have also run

a 5k sponsored event to raise money to make up some more of the raised beds so that each class can grow their own in the same area as the gardening club. We hope these will be ready by the spring to get the best growing season. Thank you to all who took part, and those who organised it.

There will also be some water butts added to a couple of the downpipes, courtesy of one of the Friends of Rettendon School. This will teach the children about water saving.

Barbara Wright - school gardening assistant

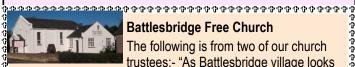

Everyone knows about this Christian feast. Here in Rettendon we are holding a special service. The carol service is on 22nd December at 11-15am – traditional carols and readers from the community will take part. Also on 22nd December we have a crib service (see advert) and on Christmas Eve the midnight service starts at 11-30 pm. The crib service is at Rawreth School, (the school is just off Rawreth Lane. At the first set of traffic lights, turn right past Asda stores and a little further on the sports hall is on your left and the school is on your right). This is an all age service, it is inter-active, and children are invited to dress up if they want to. Angels, shepherds or wise men come to mind. The service is at 4:00pm, will last no more than one hour, and is a real opportunity to lay the foundation for Christmas. There will be refreshments from 3-30pm onwards and small presents for the children at the end of the service. This service is a real community event designed for families from Hullbridge, Rawreth, and Rettendon. Do please come along.

Also in Christmas week, children from Rettendon School are holding a Christingle service in the morning of Wednesday 18th December.

On 8th December, we have a family service, which means there will be no Holy Communion to frighten off children or even older people.

I wish you all a happy Christmas

Jane Fallows, Churchwarden. 01245 400394

Battlesbridge Free Church

The following is from two of our church trustees:- "As Battlesbridge village looks

forward to Christmas this year and the Antiques Centre runs their festive weekends, we at Battlesbridge Free Church are once again opening our church over two weekends. Saturday 7th and 14th December from 10am to 4pm and on Sunday 8th December we will be holding our normal service at 11am (to which all will be most welcome) and then the church will be open until 4pm. Our little church will be decorated with a Christmas theme. There will be complementary refreshments and mulled wine. This will be an opportunity for you to think about this special time of year away from the crowded shopping centres. Maybe you would like to light a candle in memory of someone who has left us, write a request for prayer for yourself or a loved one or sign a card to wish our community a happy Christmas. There will also be an opportunity, if you wish, to donate towards the work of Haven's Hospice."

Other December events to look forward to: the Community Choir Christmas concert on Saturday December 14th - 7 for 7:30pm when it is hoped the proceeds will go to Christian Aid Christmas Appeal. On December 1st the Sunday service will include communion. December 15th the service will be of the 9 lessons and carols. December 22nd there will be a Nativity theme in the morning and a Christmas Drama at 6:30pm on that day. On Christmas Eve, 24th December there will be a Watch Night service beginning at 11:30pm. This will be a candle-lit service to celebrate the birth into our human world 2000 years ago of Jesus Christ, God's son. How we need to follow his way of love and consideration of our fellow man, in todays troubled times. June Edwards, secretary, 01245 426122

AGM Report

For us this seems like the start of Christmas, rather than the end of the horticultural year. Our AGM is a time for reflection on the year just passed and the upcoming future. We are given reports by the chairman on how well everything went, the treasurer on how good our finances are, and the secretary on encouraging growing and the future diary. There is a chance to renew our membership, but also a chance to change our officers and committee.

Despite the fact that the Chairman, Treasurer and Secretary all offered to step down, we were all still voted in. No change there then! However, since the society has reserves enough to allow for another 2012, the year the worms drowned, we must be doing something right between us. And the membership has actually gone up slightly, bucking the trend of other horticultural societies. So perhaps we should rejoice that we are trusted to take this 100+ year society ahead into the future.

Having dealt with the meeting needs we turned to the social side, most certainly one of our strengths. While we all chatted, ate mince pies and other goodies, and drank wine, including some mulled wine (early Christmas you see), our membership secretary • toiled away taking the subscriptions. (We did let her have food and drink while doing so).

So if you are a member expect your membership letter in the post after Christmas. If you are not a member, why not? We do not just talk gardening, but surely you know that from the exhibits in the marguee every summer! We are friendly, welcoming and enthusiastic, so come and join us for £5 a year. Country Diary

I have to be careful of what I write as I have been notified that the geese flying over were Canada geese but not Greylag geese. I have been researching other species that migrate to Britain one of them is Redwings which look like small Thrushes. The difference is that they have a rusty red colouring under their wings. The Fieldfare is also a winter visitor which I have often seen in the past on the Bell field, alongside the old Woodham Road and also at Hyde Hall. They feed on farmland and rough pasture and they do love to eat Hawthorn berries. Both the Fieldfare and Redwing flock. They migrate from Northern Europe to our warmer climes.

We have had a fabulous autumn for fungi. Always beware of this showstopper, the Fly agarics, which is really poisonous. It is bright red with white spots. There are so many fungi with weird names and shapes – the Gonderina – a bracket fungus; a tiny fungus with a common name of Birds nest - a bearded tooth looking a bit likes a waterfall. However, the time has now passed 🕱 as we have had a few frosts and the fungi have disappeared until the next autumn.

Battlesbridge and Surrounding Areas Really Do Matter

With 1000s of new houses being built especially in Maldon, Burnham, Rochford, etc. the infrastructure just cannot cope. Between 7 and 8:45am and 4:20 to 6:30pm the roads are gridlocked in places, especially if just one vehicle breaks down, or I there are roadworks underway. Then it is almost No Go. Hours on journeys give a horrendous increase in exhaust pollution. Solution is a minimum of 2 people in a car, only cars with even or odd number plates restricted to alternate days, tax cars by their lengths as well as emissions, etc. South East Essex seems to be taking the brunt. Release all farm land round London, so public transport will play a great role i.e. peoples' journeys to the city, etc. will be minimal.

Flooding carries on, especially in Rawreth Lane and Hullbridge. The natural soakaway from rain has been eroded greatly. Church Road in particular have about 12 properties which get flooded regularly now. Either Rochford Council should build the residents new properties on higher ground by releasing farm land or upgrading the specification of their existing houses. Building 10 houses where you are building in 100s is a small cost. I feel Rochford Council could have a problem with a charge of irresponsible planning. You cannot pass planning applications for large development knowing full well that your decision will lead to established residents' homes being ruined by excess flooding.

I am hoping to arrange a coach trip for 5 days to Cornwall from Rettendon visiting the Eden project, Lost Gardens of Heligan, etc., I under the umbrella of the Horticultural Society, in May 2020. Further details to come such as costs, etc. Check the newsletters.

I have been on a Holland coast trip, wonderful people, but I was asked a couple of times why I was wearing a poppy in my lapel? Perhaps they have a different flower for Remembrance. After a 4 hour wait at Amsterdam airport but only 35 minute flight to Southend, it was wonderful arriving back to Battlesbridge and sleeping in a warm bed.

> A Merry Christmas and Happy New Year to you all. Yours Very Sincerely Roy Hart

Chrysanthemum Growing - October talk

Our talk on growing and showing Chrysanthemums had a wonderful display from John Bruty. We would like to encourage others to try growing these beautiful flowers so will be putting in hints during the year to grow to exhibition level - with a view to toppling Mr. Bruty from his dais and taking the cup from him! Mind you - he has provided these instructions.....

OCTOBER (but don't worry now will do)

Select plants, cut down to about 6 inches, and bring into greenhouse. Keep fairly dry. Start watering to encourage growth in February. Check for aphids and spray when necessary.

Details for February in next newsletter.

For more information try the website

www.chysanthemumsdirect.co.uk

If you would like a few plants to grow we have some for free. Most are not named varieties, but they are from a person who exhibited, so should be good plants.

Barbara Wright, Secretary, 01243 321554

Garden Notes

Plants all in and the bird feeders in action. Put in some broad beans to get an early crop before the blackfly hit next summer. - We do try.

Merry happenings to all. Mrs. McGregor

Pre-school

We collected lots of food for Harvest Festival and due to the weather the Vicar came to Pre-School and spoke to the children about where their food would be going. Everyone enjoyed it.

Our photographer came in last week and all the children and their siblings had their photos taken. The proofs have come back, so I'm sure the parents will be ordering lots of lovely photos.

We have already started rehearsing for our Xmas show DREAMING which is on Wednesday 18th Dec.

If you would like anymore information please call Pat on 01245 401328 or 07762 909351.

Rettendon Memorial Hall

We are now able to announce that as part of the ongoing essential care of this facility, the room to the **** rear of the committee room has had a complete facelift and part of its use is now as a freely available space for book swap. As the library service ($\frac{1}{2}$ hour every 3 weeks) no longer visits Meadow Road area, it was felt that this may fill a community gap, and be a little more accessible for avid readers.

Meanwhile the usual hirers continue and the Kate Ward Dancers are getting used to their new home.

SEASONAL GREETINGS TO YOU ALL.
