

BUS SHELTER POLICY

The Council is responsible for 9 bus shelters across the Parish.

It is the Council's responsibility for the maintenance and cleanliness of these bus shelters. The proper maintenance of the bus shelters is crucial and requires those which are damaged to be repaired quickly and to a high standard; any graffiti is removed/painted over as soon as possible.

Bus shelters will be cleaned as necessary, from approved maintenance budget.

To request a new bus shelter

The Council is committed to providing improved waiting facilities. Any requests for a bus shelter need to be on the agenda of a full Council Meeting. The council will need to ensure there is local support for the proposal and relevant permissions will need to be obtained.

Advertising on bus shelters

Any advertising on Council property may only be displayed with written authority from the Council.
