

Annual Vestry Meeting Bulletin – May 2026

Annual Vestry Meeting

The Rhos a Mynydd Mission Area Annual Vestry Meeting took place at Hope Church Hall on Sunday 31st May. It was very well attended and thank you to all who did attend.

All the Church Officers were approved. Churches are encouraged to try and fill any vacancies they have within their churches.

Annual reports were received in relation to property, finance, safeguarding and the draft Mission Area annual report was distributed for comment. Last year's Annual Report (2024) was approved.

Vacant positions

There are two vacancies on the MAC executive committee. One is for Lay Chair of the MA. This is not an onerous role and mainly consists of chairing the MAC meeting and having the casting vote should there be a tied vote at any point.

The Second is for MAC secretary, again not an onerous role as the preparation for the meeting and minutes is covered by our Administrator.

If any member of the MAC is interested in this role, or you think there is someone in your Church who would be interested and would like to find out more information then please get in touch via the MA office.

Dates for the diary

- Sunday August 30th – MA Service St Matthews Church Buckley 11am

MA Website

A reminder that the MA has a website. It contains a wide range of information for both Church attendees and those in our communities who might not attend church yet.

It includes a secure section for members of the Mission Area Conference and those members who have not yet done so will need to register to access this area. This website has been developed to support improved communication within our Mission Area. Any feedback on current content or content that you think should be added should be sent to our Mission Area Administrator.

Please take a look at: <https://e-voice.org.uk/rhosamynydd>

Safeguarding

Safeguarding is everyone's responsibility and all people with a position within the Church need to undertake safeguarding training. New dates are available for training, including local venues.

If you're unsure of whether you need to do the training, or what training to undertake please contact your church safeguarding lead.
