

Ardal Genhedaeth Rhos a Mynydd Mission Area

Mission Area Conference Bulletin – April 2026

Vacancies

Several vacancies have arisen for the Mission Area Conference. We require a Secretary and a Chair. If any member of the MAC is interested in this role, or you think there is someone in your Church who would be interested and would like to find out more information then please to come and have a chat with me. It is vital that we do have a full exec committee who can oversee the work of the MAC and bring to the MAC all the prominent issues.

Mission

Now that we have done most of the required policy work, we will be focussing our attention to how we deliver Mission as a Mission Area. We look forward to some interesting discussions.

The Good Shepherd Drury

The Good Shepherd Drury is in the middle of its consultation process and we look forward to receiving the report in early summer for us to then create a plan to move forward.

Annual Vestry Meeting

This years Mission Area Annual Vestry Meeting will take place on Sunday May 31st in Hope Church Hall following the Mission Area Service.

Safeguarding

You are reminded once again about the importance of completing any safeguarding training and DBS check you may be required to do if you hold a position within your church. If you are a Worship Leader, Warden or anyone else in a leadership position you must complete the training and ensure you have an up-to-date DBS. Emails will be sent out to all those who have outstanding training/DBS or who have an upcoming review date. New dates for courses being held locally have been released so book on asap.

Mission Area Service Information

Our next Mission Area Service will be held on the 31st May at 11.00am in St Cynfarchs, Hope. Once again this is an excellent opportunity to visit another of the churches in our MA and meet new people. We look forward to seeing as many of you as possible there.

Governance

The MAC has successfully agreed and approved a range of policies that the Charity Commission require us to hold. We still have some outstanding HR policies but are awaiting on guidance to complete this suite of policies.
