

Mission Area Conference Bulletin – January 2026

Christmas Services

A big thank you to everyone who helped organise and took part in a wide range of services in the MA over the festive period. There has been lots of positive feedback and it was good to see large numbers of people coming into our Churches throughout the month of December. The Mission Area Ministry Team are now planning for Lent and Easter. We hope people with have the opportunity to visit other churches and experience a wide range of services. A leaflet detailing all scheduled services will be produced in due course.

Membership App

The Membership App is a very important application within the Mission Area. It allows for the recording of numbers of people taking part in congregation and ministry activities. This will help provide rich data about whether projects and initiatives we have undertaken are working and also help us to identify growth or decline so that we can make the most of our resources.

Access to the App

Any church officer can have access to the App in order to record activity. To obtain access please contact our Mission Area Administrator (contact details above) who will arrange access.

Vacant position

There is still a vacancy for Lay Chair of the MA. This is not an onerous role and mainly consists of chairing the MAC meeting and having the casting vote should there be a tied vote at any point. If any member of the MAC is interested in this role, or you think there is someone in your Church who would be interested and would like to find out more information then please get in touch via the MA office.

Safeguarding

Safeguarding is everyone's responsibility and all people with a position within the Church need to undertake safeguarding training. New dates are available for training, including local venues. If you're unsure of whether you need to do the training, or what training to undertake please contact your church safeguarding lead.

MA Website

A reminder that the MA has a website. It contains a wide range of information for both Church attendees and those in our communities who might not attend church yet.

It includes a secure section for members of the Mission Area Conference and those members who have not yet done so will need to register to access this area. This website has been developed to support improved communication within our Mission Area. Any feedback on current content or content that you think should be added should be sent to our Mission Area Administrator.

Please take a look at: <https://e-voice.org.uk/rhosamynydd>

New Mission Area Administrator

A very warm welcome to Laura Edwards our new Mission Area Administrator. Laura has settled into the role really well and is enjoying the new challenge.

Church Congregational Meeting

Church Congregational meetings will be taking place across the Mission Area between now and May. This is an opportunity for Churches to engage with their congregations, review the work undertaken over the last year and make plans for the next year. Please encourage as many people to attend as possible to support the mission of our churches.

Dates for the diary

- Monday Mar 30th – MAC Exec Online 7pm
- Monday Apr 13th MAC – St Matthews 7pm
- Sunday May 31st – MA Service Hope Church 11am followed by MA Annual Vestry Meeting
