6. Resolving health and safety problems

Any volunteer with a health and safety concern must first tell the responsible church warden.

If, after investigation, the problem is not corrected in a reasonable time, or the responsible church warden decides that no action is required but the volunteer is not satisfied with this, the volunteer may then refer the matter to the management committee chairperson. This must be in writing.

If the volunteer is still dissatisfied, the matter will be entered on the agenda for the next meeting of the MAC.
