

Travels and Treasures

of the

**LANCASHIRE
INFANTRY**

1717 to 2004

A celebration of the treasures and travel achievements of the East Lancashire, South Lancashire and the Loyal North Lancashire Regiments; their Heirs and Successors:

- They captured an Eagle
- Found a Prime Minister
- Won 17 Victoria Crosses

Fought on every inhabited continent

Their legacy is now part of the Duke of
Lancaster's Regiment

In 1689 King William the Third raised a Regiment first known as the Castleton Regiment after its 1st Colonel, before eventually being renamed the 30th Foot.

This was the early beginning of what was, some 300 years later, to become the Queen's Lancashire Regiment.
