

Community Regeneration Funding

Notification of Project Initiation

This form is required to confirm that your project has officially started. Please complete and return it once your project is underway. Submitting this form ensures your project is formally recorded as active and allows the funding process to proceed as outlined in your Offer of Grant.

You will have received guidance on how to submit claims for eligible costs and meet any reporting requirements.

If you have any further queries, please contact us at:
communityregenerationfund@highland.gov.uk
