FAKE NHS VACCINE TEXT WARNING

Another fraudulent text message is circulating claiming to be from the NHS, encouraging people to 'apply' for their COVID vaccine.

The text message contains a link that takes recipients to a very convincing website which proceeds to ask for personal and payment details.

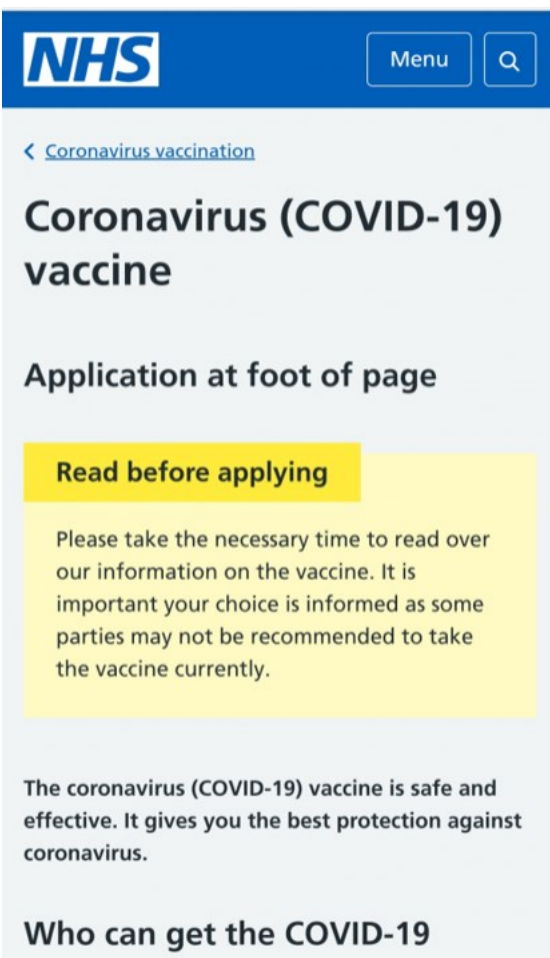

This should be an immediate red flag, along with bad grammar and spelling mistakes, one of which can be seen highlighted in the images below.

Remember: the COVID-19 is free via the NHS only.

It is not possible to purchase the vaccine or obtain via other methods.

NHS: We have identified that you are eligible to apply for your vaccine. For more information and to apply, follow here :
