On an extremely sad note, Southminster has been the victim of many crimes this month, Please report any crime either online or via 101 or 999.

Southminster Parish Council is reporting to the police and working with the Community Protection Officers, however, we have no powers to instruct the police to increase any services. This will happen if everybody reports the crimes.

During March 2020, 5 offenders were caught by the Community Protection Officers speeding through the village, during 5 Tru Cam patrols. Potholes and road surface issues can be reported online via Essex Highways or please contact the Clerk with any concerns to report.
