CORPORATE EQUALITY POLICY

Policy Statement

Southminster Parish Council is committed to treating everyone who comes into contact with us – residents, service users, businesses, visitors and staff, fairly and equally.

We will ensure that we do not unlawfully discriminate against people because of race, ethnic origin, religious belief, gender, disability, sexual orientation, or any other reason.

We are committed to providing equal opportunity of access to services, and level of service provided, and to work towards developing confident communities that are free from discrimination.

We are committed not only to eliminating unlawful discrimination, but to the promotion of equal opportunity and good relations between people of different racial and other groups.
