SELF DRIVE VISIT TO

HISTORY ON WHEELS MUSEUM

Common Rd, Windsor SL4 6QY

<http://www.historyonwheels.co.uk/>

From 10.00 – 17.00

More than a motor museum! a privately funded, non-profit making family museum. A truly unique collection of **Motors**, both Military and Civilian, **Militaria** from the 1900 to the 1950's, from all conflicting Nations, and **Memories** illustrating artefacts of all types from both the civilian and wartime home fronts. The Museum is under cover, 'wheel chair friendly'. Visitors can step back in time and enjoy the exhibits whatever the weather. A chance to see rare vehicles including a vehicle owned by General MacArthur plus vehicles which have appeared in films such as Evita, Indiana Jones and the Last Crusade.

The newly extended **NAAFI Café** includes a **Dining Area**, with table seating and 25ft breakfast bar with panoramic views of Windsor Castle. In the Summer visitors can relax under sunshades on the large patio, enjoying their tea and snacks whilst enjoying the fine view.

There is also a Cinema, air raid shelter and a small shop on site. Only open on a few days each year. Adults £7; Over 60s £6

Trip Advisor – *"It is a unique attraction full of interesting exhibits and a cinema, plus of course an old fashioned cafe serving tea and cake. Excellent and friendly"*
