

Tilstock Against Boningale Development Newsletter 4

Welcome to the 4th newsletter, only 24 hours after the 3rd!

The application is now live on the planning portal. As we feared, the number of houses has increased from 50 to 70, with the nursing home etc dropped. It is a huge estate compared to the other 3.

See <https://pa.shropshire.gov.uk/online-applications/applicationDetails.do?keyVal=SM6NZ7TDLD100&activeTab=summary>

We urge you to look at some of the documents on the website above but be selective as there are over 50! If you wish to object then we have lots of suggestions and tips, carefully thought out and researched.

We are hosting **an open meeting at Tilstock Village Hall on Sunday 17th November from 6pm** where we are doing a presentation which will include the ideas and suggestions for you to take away. A good turn out will also show the council how strongly we feel about this. Perhaps therefore leave commenting until you have been to the meeting. If you can't get to the meeting, we can send the information to you in due course. We have 21 days from yesterday to leave comments.

After this we are hosting 2 drop-in sessions for those who need help with the technology. We will have laptops and for those people we can upload their comments directly via the village hall wifi. **The drop-in sessions are Monday 18th November 12 noon-6pm and Wednesday 20th November 6pm-9pm.**

We do not know who has bought the field next to the pastures, along Tilstock Lane near the railway bridge.
