

UK Centre Prayer and Praise March 2020

Long Eaton

At the start of the year as a relatively new centre we were struggling to know where our referrals would come from and had 1 referral only in January. We took this to our ladies prayer group and suddenly referrals came in. 10 have been completed in Feb with a further 10 already booked in for March and April. We want to praise God for his abundance and faithfulness and answered prayer.

Sarah and Jane

Portsmouth

So so thankful for new team members that are totally on board with the vision of baby basics. We have also been successful in receiving a small grant from Radion to use to buy new storage and ongoing costs of new mattresses.

Prayer for more referrals - we are ready. When we pour out God pours in! **Di**

Kent

A prayer of thanks for our amazing community who donate their loved baby items so freely.

A prayer of strength for the mums and families we support for strength and peace in a difficult time.

A prayer for the patients of the Rosewood unit who have become a recent source of referral.

Ongoing prayers for new premises please. Still looking!! **Catherine and Diana**

Leicester

We are so thankful for God's provision, often when we least expect it. Last week we had a discount furniture shop donate 50 new mattresses and 8 new cots! One of the followers on our Facebook page also nominated us to be the charity of the month at her work place which was a very generous £2000! Over the next few months we are looking into premises again. Please pray for time and wisdom as we seek to know where to be and what is right for us at the moment. **Laura**

Sheffield

We are very grateful for our growing volunteer team and our amazing new reception admin Lydia. Please pray for us to be able to manage our continued colossal amount of donations well and continue to find good outlets for the things we can't give out. **Louise**

Hastings

Our new storage area is now finished and we are up and running without any problems. We are thankful for all the help we received during the move and for the generous financial donations that made this new warehouse possible.

We are receiving quite a few referrals for larger items including double buggies and cot beds. These all require additional storage. We would value your prayers on how to manage demand and storage space. **Davina**

Northampton

We are extremely grateful to God for the blessing of our new premises. We moved a lot of our items in yesterday and plan to get everything in place over the next couple of weeks. It has been a real answer to prayer.

Going forward we would like to pray for the smooth running and good relationships with our fellow tenants in the new building. **Sabrina, Julie & Micki**

Bolton

I am thankful for my new BB tablecloth it's awesome!!!!!!!

We are thankful for volunteers they are amazing and bring great joy. This month we have also been so grateful for the support of friends and family who support us in all we do cheering us along the way and reminding us that it's not in our strength but in Gods -he's got it covered 😊. Prayers for March: it's looking a little scary in terms of events, referrals and "To Do" List. **Lizz**

Vale of Glamorgan

We are so thankful for the recent funding received; £150 from a local church coffee morning, and £250 from the Vale of Glamorgan Mayor's Foundation Grant. Also for continued practical donations, particularly one generous family who purchased a double buggy for a family who are really struggling and wouldn't be able to get out the house without one. Praise God for all His faithfulness!

Please pray for:

- More referrals
- The challenges we are currently facing with regards to suitable premises
- For all volunteers everywhere who give their time and dedication to this service.

God Bless, **Pauline**
