Children in Church:

We would like to encourage children to take part in our all age services. The creche is also always open during all our morning services if young children wish to play - more boisterous play can be distracting for both preachers & congregation & we need to recognise that the prime reason for attending church is for worship. There are some children's books in the Narthex for quiet play. We would thank all parents & carers to respect this.

All "Non-Urgent" Issues with Church Property should be reported via the book in the Narthex so that the Property group can arrange for them to be sorted out.

ReSTORE Collection Box in the Narthex - Hosted by St. Saviour's:

Restore works with agencies to provide a one-week supply of food & household items to give a helping hand when times are hard. Donations of non-perishable food & household items may be left in the box in the Narthex.

Items for the notices can be emailed to Jac Bond using the email address below.

Circuit of Sanctuary:

As you know, we are working towards becoming a Circuit of Sanctuary as part of the London District-wide drive to become a District of Sanctuary. It was suggested at Circuit Meeting that we should recommend the City of Sanctuary Bible Study material to the various house groups as a potential Lent Study resource. Incidentally, there is no question of this being compulsory in any way. It is simply an additional resource which Vicci promised to provide. If you would like to have copy of this resource emailed to you then please email bond.j@btinternet.com Note this is a PDF resource and is 74 pages long.

Revd Vicci on Sabbatical:

Vicci will be on sabbatical from Saturday 1st February to Monday 10th May.
