Hello,

Welcome to the winter 2020 edition of T & T News.

As we come to the end of the first year of the new decade what an interesting year it has been. The first COVID-19 lockdown saw us produce our first ever digital only version of the community magazine with no printed copies for the summer edition.

We have maintained our regular pattern of magazines and both the autumn and this, the winter edition are available in print and on-line. 2021 should see a return to more usual times and hopefully many of our local groups will be able to fully re-start as restrictions ease. We are as this edition goes to print still in lockdown 2.

Our advertisers, contributors and distributors have been second to none in their support over these difficult times so a big Thank You to you all. Have a great festive season. Do keep safe and keep in touch with the latest news and information at www.tandtnews.org.uk

Happy Reading!
David Winterburn, Editor

Boost for High Wycombe's homeless after Highcrest Academy students vote to support them

Homeless people in High Wycombe have been given a boost after students at The Highcrest Academy voted to make them their charity of the year. Pupils chose Wycombe Homeless Connection to be this year's beneficiary. Every year, Highcrest selects a different local charity and then works to raise money for it.

A delighted James Boulton, Chief Executive Officer of Wycombe Homeless Connection (WHC), said: "We're honoured and grateful to have been chosen to be supported by the students and staff at Highcrest. It's been an incredibly tough year for everyone, but especially for people in our community who have no home, or are facing losing the roof over their head. By supporting our work, and raising awareness of what we can do, Highcrest students are making a real and long-lasting difference."

WHC is a local charity that helps people who are homeless, and increasingly focuses on preventing people from losing their homes in the first place. As well as its frontline support services, it runs a homelessness prevention hotline which gives anyone who needs access to free, independent advice and support.

WHC was one of three charities shortlisted by the High Wycombe school. Each one of them sent in a video which students across the academy watched in classes. A voting form was then sent around the school, and WHC was declared the outright winner. The initiative has run every year since 2013.

Last year, the school's chosen charity was Wycombe Women's Aid (WWA) where more than £1,500 was raised.

Normally, the academy runs a number of events such as bag packs, cake sales and non-uniform days. This year, staff and students will have to adapt. Mr Clarke added: "Obviously this is a bit more of a challenge this year as the fundraising will have to stay in the year group 'bubbles'. However, we still hope to be able to raise an amount that will make a difference to WHC this year." So far this term, Highcrest has already raised £1,000 for WHC.

For more, go to:

Wycombe Wenches WI

Welcome to our roundup of Wycombe Wenches WI life during the Global Pandemic. We are in a very similar place to where we were in March, with the new four-week Lockdown, social distancing at all times and now the compulsory wearing of face Coverings. As ever though we stoic WI ladies have found ways to keep ourselves busy, active, positive and sociable. Many have continued with their journey into the world of technology learning new skills and jargon. The general WhatsApp group has been invaluable for this on every topic from gardening, technology, food preservation etc.

Even in these strange times of our 'new normal' we were delighted to welcome one new member to our WI. We would welcome any ladies who would like to give the WI a go to get in touch and join us. The fees are reduced until April next year.

Our monthly meeting in September welcomed speaker Carla Phillips whose talk was called " Travellers Through Time" which connects the public to our shared history through inspiring and engaging experiences. She spoke enthusiastically to us via Zoom about the lives led by Greek Women. She specialises in introducing people to the history that is all around them and encourages practical skills and critical, independent thinking. This is a positive about meeting virtually, we can listen to speakers from all over the Country not usually accessible to us in regular, face to face meetings.

Our October meeting welcomed Hazel Bandon, Senior Community Fundraiser from Rennie Grove Hospice Care. Rennie Grove provides end of life care for adults, care for children with life limiting illnesses in Buckinghamshire and Hertfordshire and runs a day care hospice in St Albans. They provide nursing care and support to families every day of the year at no cost to the patient. This is an expensive service to run and only 12% of the running costs are met by the NHS, the remainder being provided by fundraising and bequests. Prior to Hazels' very informative talk we held our Annual Meeting, welcoming three new ladies onto our Committee for the coming year.

Our November Meeting marked Wycombe Wenches 9th Birthday, we had party hats, balloons and birthday banners as our back-grounds for the zoom meeting, but sadly could not share the birthday cake we normally consume in November! Our meeting had a practical activity this month, members had all received a card making kit and set about making a Special 3D Christmas Card under our Presidents leadership.

We are very fortunate to have an incredibly imaginative and active committee, who have worked tirelessly to come up with regular activities for our members to enjoy on zoom. The Cinema Club watched Red Joan, starring Judi Dench, the Book Club have enjoyed reading "The Nightingale" by Kristin Hannah, and September's Supper Club involved eating, drinking and chatting along a theme of Harvest. October's theme was Asian cookery and November's theme was an alphabet supper.

In this 'new normal' we continue to have a Zoom get together on a Friday afternoon at 2pm. Our ladies who enjoy the gardening WhatsApp group have been busy sharing photos of their gardens in bloom. Our Creative Wenches have continued meeting on a Thursday with knitting, nattering, sewing, cooking demonstrations and more.

You can find us on Facebook at wycombewencheswi and our website, wycombewi.weebly.com. We update both of these regularly with news and dates of activities. Hopefully in the New Year we can begin to think of meeting again at Totteridge Community Centre. However, until that time you would be most welcome to join us now in our virtual, online world. It really is great fun!

Warmest wishes, Susan Dawson and Helen Speakman

 Putting your pet first

'Remember, you are not alone in your grief'

A Light Up A Life service is normally held at Christmas at South Bucks Hospice to allow people to remember the loved ones they have lost. But, this year, coronavirus has made it impossible for the event to go ahead in the traditional way. Juliette Coffey, Head of Individual and Family Support at the hospice, explains here how the public can still take part in this important service from the safety of their own homes.

It is usually about this time of year that we contact you to invite you to come and join with us to attend our annual *Light Up A Life* event at Butterfly House, the home of South Bucks Hospice in High Wycombe. At this deeply-poignant service, we think about loved ones who have made such a difference in our lives, loved ones who we treasured in life, and will always treasure. In joining together, we celebrate our loved ones lives but we also share in a community spirit of supporting one another.

Although, our building has been closed recently due to the COVID-19 pandemic, our thoughts are very much with you. Even if we do manage to partially re-open before Christmas, it would clearly not be safe during this pandemic to hold our traditional Light Up a Life service in the building. We invite you, though, in your separate homes this year, to light up a light over Christmas and remember our loved ones and the support that we have in our community.

Please know that you are not alone in your grief - we are here to help you. Even if our doors are not currently open, if any of you have lost a loved one from cancer, and are struggling, please reach out and ask for telephone or video link support from one of our counselling team. Or perhaps you would like to join one of our bereavement support groups starting from April next year.

* South Bucks Hospice is based at Kingswood Park, High Wycombe. For more information on how to contact the counselling team or join a bereavement group, go to www.sbh.org.uk. As this magazine went to press, the hospice was temporarily closed during the lockdown. Please visit the hospice website for regular updates on what services are being offered.

TERRIERS EVENING WI

2020 has been a challenging year for everyone but after one hundred years, through two world wars, four monarchs and numerous changes of government, it takes more than a global pandemic to keep the WI down.

Despite being unable to meet in the usual way WIs both nationally and locally have continued to keep in contact via telephone and social media and have kept the spirit of the WI alive. Terriers Evening WI helped to contribute to the national effort to produce PPE by stitching scrubs and supporting friends and neighbours locally as well as regular communication with members.

We had been due to recommence meetings at Cedar Park School in October but hopes were dashed at the last minute as the virus began to make a comeback. We did manage to achieve a short al- fresco meeting in August when a number of intrepid souls met up on Kingshill Common. The weather, however, did not cooperate and a sudden thunderstorm left sodden members rushing for shelter.

November is by convention the month for each institute's annual meeting and 2020 was to be no exception. Terriers Evening moved into untrodden territory with a very successful Zoom meeting.

Many members acquired new skills that night, often to the amusement of the others as we mastered the art of the webcam. Everyone enjoyed the opportunity to see familiar faces and catch up with old friends. By general agreement it was decided to hold a "virtual" Christmas party in December.

We had been uncertain of what 2021 would bring and when we would be able to hold a full meeting at Cedar Park School but, at time of writing, the news of the successful development of a COVID-19 vaccine has been received. Although early days yet, hopefully, this will hasten a return to a full programme.

In normal times meetings are generally held on the first Thursday of every month at Cedar Park School, Cedar Avenue, Hazlemere. New members would be very welcome in 2021, or come along, as a visitor, for a free taster session. For more information please call Celia Carter on 07538 200933.

CHAMELEON SINGLES GROUP

It has been an interesting year for Chameleon and like many groups we had hoped by now to return to more "normal" events in our programme. Now of course what is normal as we enter a second lockdown which means the group's members can no longer meet. The rule of six had served us well allowing us to meet for walks, drinks, coffee mornings and meals out but that will no longer be possible for a while. It is likely to be the New Year before we can look at doing some of our regular events and perhaps enjoy some days out too.

The internet and in particular Zoom Video Conferencing has been a great way of keeping in touch. During lockdown we will be running these sessions on a regular basis that will be themed on the real event. By example we will have a virtual coffee morning from the comfort of your own home. Similarly, our Lunch Club and Pub Nights will run in the same way. Walks and outdoor events such as days out may be a little bit trickier but we will see what we can come up with!

Of our recent events we had an early evening sunset walk around Penn Wood starting out from The Squirrel at Penn Street. We did a loop following the outer area of the wood for most of the way coming out by the church for the final walk along the road back to the pub. A drink and light meal was enjoyed before returning home.

The Coffee Mornings and Pub events have been well supported although we have had to limit these to a maximum of six people. This has meant its not possible for everyone to attend the popular events but this has been necessary to ensure safely and compliance with government guidelines regarding the Coronavirus.

We are still welcoming new members to our group. So, if you are single, 40-60's, looking for a great social life and new friends then why not give us a try? There are no strangers at Chameleon, just new friends to be made both through our Zoom meet-ups and at regular events where these are possible. We have several local people from Totteridge, Terriers and surrounding areas and you would be very welcome too.

To find out more call our membership secretaries Terrie on 01494 445816, Trevor on 01494 529067 or e-mail: info@chameleonsingles.org.uk
Visit us on-line at www.chameleonsingles.org.uk for more information and our current programme or connect with us through Facebook.

Find us on 

What's Going on in Girlguiding?

Despite a challenging year for Girlguiding, many of our units have managed to 'Carry on Guiding' with occasional face to face meetings once allowed back in the Summer and many on Zoom where this was not possible.

Here is a snapshot from some units with what the girls have been doing or are currently working on.

22nd HW Rainbows will be continuing activities at home relating to their badge 'Take Action.'

Trinity Rainbows and Brownies have met a few times on the Rye as well as on Zoom. We've made boats and sailed them by the waterfall. Done bark rubbing and science experiments in the woods. Welcomed some new girls, one we have only ever met virtually! Zoom activities included taking part in another virtual sleepover learning all about space and the night sky.

1st High Wycombe Brownies will be continuing activities at home on their skills badge, 'Feel Good.' Two new brownies will be doing some activities towards their promise, including a Promise Advent Calendar.

6th High Wycombe Brownies have continued to meet on zoom from September. We are playing all-inclusive games and luckily there are lots of new ideas to try, as well as Brownie activities and badges. The girls always love a scavenger hunt and we are making a "brownie in a mug" this coming week as well as enrolling 2 girls on zoom which will be a first. It's disappointing we aren't able to go to the annual pantomime but are looking forward to watching a Guiding one online in December. We did one face to face outdoor meeting in October in the woods behind the Rye - it was lovely seeing the girls albeit socially distancing. We are looking forward to getting back to indoor meetings as and when it is safe to do so.

Trinity Guides

In September we continued meeting on the Rye on Saturday afternoon, then alternate weeks meeting on Zoom on Thursday evenings, so girls who were busy on Saturday were able to join us. Sadly, by half term we felt that the weather was not reliable enough for the Rye, and have been meeting weekly on Zoom. The girls have enjoyed crafts and games and seeing each other. We are hoping to meet at Trinity as soon as Lock down and Risk Assessments allow, having small enough numbers to make this feasible.

Interested in Joining? We have vacancies for Girls and Adults in all age groups. Please visit the National website: www.Girlguiding.org.uk/interested to put your daughter's name down or find out more. Guiding is fun and if you would like to come and join us as a leader or supporter please get in touch with Julia Sparks julia.sparks@gmail.com or Nina Sparks minisparkyn820@yahoo.com

HELLO FROM JO

It's beginning to look a lot like Christmas 🎵 but perhaps not as we might expect it to look. This year has been a long and challenging one and as Christmas approaches many are wondering what it will be like with social distancing, tier systems and lockdowns to consider. No doubt this Christmas will be different and perhaps one difference is how, for many of us, this year has been a time to re-evaluate who and what is really important in our lives, as so much of every day life has been stripped back.

This year at St Francis of Assisi, Terriers, we have been challenged to think about what a more stripped back Christmas might look like, and we noticed how it may actually be a more authentic Christmas this year. After all, the first Christmas was a very stripped back affair when Jesus was born, not amongst the sparkle of trees and tinsel, but in a stable with a manger for his bed. Consequently, this year at St Francis, we are building a stable outside the church for everyone to come and visit Mary, Joseph and Jesus, and wonder again at the simplicity and love of that first Christmas, which has been so memorable for over 2000 years. And perhaps, as we take time to wonder again at the first Christmas, it will help us all to consider how we can make, what will be a very different Christmas this year, a memorable and loving one too.

All are welcome to celebrate Christmas at St Francis:

Become an Innkeeper: December 1st - 24th

Display a drawing of Mary, Joseph and the Donkey Make room in a window for others to enjoy. Download one ready to colour at www.terrierschurch.org.uk

A round up of news and events from the Hospice

Light up a Life

A virtual Light up a Life service will be held on 13th December at 5pm to give people the opportunity to remember loved ones as Christmas approaches. The virtual service is being held for communities in Buicks and Herts as it is not possible to go ahead as usual due to the pandemic. Television presenter Pam Rhodes, famous for hosting Songs of Praise will present this non-denominational virtual service. To find out more visit www.renniegrove.org/lual

Help to cope with Bereavement

Coping with bereavement is a personal thing but having someone to talk to can make a real difference. The Rennie Grove Bereavement Support Line provides this listening ear and offers support when you or your family, friends or colleagues need it. Whether the loss is recent or not Rennie Grove's team of trained staff and volunteers can help. You can call the support line at any time on 01727 638008 at any time and a member of the team will call you back the next day.

Update on Retail and Trading

Rennie Grove's 26 retail shops had to close for the second lockdown during November. This was a particularly difficult time as November and December are traditionally busy times for the stores. Staff and volunteers have been working hard behind the scenes to drive online sales. The web site has however continued to offer a range of cards and gifts.

In addition to web site Rennie Grove also has an E-bay shop and is selling some of its finest fashion through the Depop app. To use this you need to download the app and search for "Styledbyrenniegrove" where you will find both new labels and vintage items at great prices.

Fundraising

The Herts 10K and Half Marathon raised over £43,000. Participants battled the wind to take part in the event on 4th October.

The Rudolph Run is back for 2020. A COVID safe event was planned for St Albans in early December with a virtual event where you plan your own 1.5k event. Sign up closes on Friday 18th December at 5pm.

Neighbourhood Watch in Wycombe District

The voluntary work of Wycombe District Neighbourhood Watch Association is continuing and for 2021 a number of webinars are planned as well as the Annual General meeting. Please go to the website

<https://neighbourhoodwatchwycombe.org/> (or just search Neighbourhood Watch Wycombe) for further details. Dates for the webinars will be posted on the web site in due course - please use the Contact link to request the log in details or for further information on any aspect of Neighbourhood Watch.

There is a considerable amount of information on the website about Cons and Scams and if you have 11 minutes spare you can watch a short video on You Tube called "Become a Friend against scams" This has been produced by Nat West Bank.

Ray Cox

Bowerdean Residents Action Group

In October Bowerdean Residents Action Group headed up a Bulb Challenge. Over 10 volunteers received bags of 50 bulbs each to plant around the Bowerdean area—on green verges, Underwood Park etc. Even though we couldn't do it as a large group because of COVID-19, the enthusiastic team went out with family members to complete the task, mirrored by a similar initiative in Totteridge too!

If any readers would like to be involved with future planting or litter picking etc or have ideas of areas which could use a clean up - please do get in touch with Nicky at: bowerdean.nicky@outlook.com

Thanks,
Nicky

The Buckinghamshire Volunteer Matching Service is calling for more residents to sign-up as volunteers to help local people and communities during the COVID-19 (Coronavirus) Pandemic.

The service which is run by Community Impact Bucks in partnership with Buckinghamshire Council and The Clare Foundation, matches volunteers to roles where they are most needed in the county. The service is currently planning for an expected increase in need over the coming weeks and particularly needs more volunteers from the Wycombe area.

It takes just 2 minutes to register; once this has been submitted, somebody from the volunteer matching service will be in contact when a potentially suitable role is available. To find out more and to register, visit:

<https://communityimpactbucks.org.uk/buckinghamshire-volunteer-matching-service/>

Cycling in South Buckinghamshire

At the moment our local groups are doing very little group riding. The lockdown restrictions have now made the limited rides previously held impossible to continue. These ran under the "Rule of 6" so small groups of riders were able to ride together socially distanced of course. We hope to be able to resume these from early December but this will depend on government restrictions following the end of the second lockdown.

In November the only event that took place was our Zoom Social Evening. This was well attended on-line and was a good chance for us all to catch up on cycling and more.

In addition to the Zoom meetings which are held monthly our local groups keep in contact by Facebook and occasionally other social media. Regular newsletters produced by both the midweek (Wednesday) group and the Chiltern Hills (Sunday) group are also an important way in which members keep in touch. For now cycling continues solo or duo. If you see us out riding while driving do give us a bit of extra room as you pass so we can all stay safe.

To find out more about the Cycling UK South Bucks groups visit our web site at:
www.southbuckscycling.org.uk

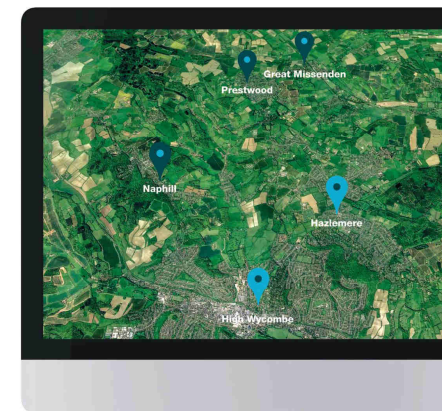

It's our business so we care.

Years of estate agency experience and local knowledge within the Partnership means you will be dealing with people who know their property market inside out, and who care about the service that we provide.

Being independent allows us the flexibility to invest in the best marketing technology in house together with a strong presence on the familiar national property portals, so we offer clients the very best of both worlds. Most importantly, we want our customers to be satisfied. Our results, and the personal recommendations of our clients confirm that we are providing a service that we can be proud of, so you can be sure you are in safe hands with Wye.

If you are thinking of buying, selling or letting in High Wycombe or the surrounding villages contact The Wye Partnership. We have the expertise and local knowledge to get you to where you want to be.

From Town to Country

Steve Baker MP

Normally when I write in the winter issue of Totteridge & Terriers News I am thinking about the things we share at this time of year – the change in the seasons, preparations for Christmas and so on. This year is different, and there is no doubt the impact coronavirus has had on our lives.

Although I am writing this before the vote is held in Parliament, I expect some restrictions to be lifted following the four-week November lockdown. The Prime Minister is anxious to contain the autumn surge of people testing positive for COVID, protect the NHS and save lives and livelihoods, but the restrictions have to be balanced against the long-term effect on business, jobs, physical and mental health. It is important to remember the NHS continues to be available for non-Covid healthcare, so people should not be afraid to use the NHS for scans and treatment if they need it.

In early November I and some other Conservative MPs who voted against the autumn lockdown formed the *Covid Recovery Group* to bring a rounded view – based on informed scientific, economic and health data - to the debate surrounding the response to the virus. We all know lockdowns have a cost, whether in deteriorating mental health, higher suicide rates and missed A&E appointments – not to mention the impact it has on young people's education, job prospects and our soaring debts. The Group's principles are to undertake and publish full cost-benefit analysis of restrictions on a regional basis; to end the monopoly on advice of government scientists, allowing competitive multi-disciplinary expert groups to shape the debate; and significantly to boost the performance of NHS Test and Trace by shifting resources to local public health teams to lead contact tracing, breaking the chain of transmission.

The Covid Recovery Group will play its part in helping the government to deliver an enduring strategy for living with the virus, so that we break the transmission of the disease, command public support, end this cycle of repeated restrictions and start living in a sustainable way until an effective and safe vaccine is successfully rolled out across the population. The announcement that there is likely to be a vaccine by the end of the year has shifted the country's outlook. If a safe and effective vaccine can be given, then we can hope life returns to normal much faster.

Many of us have had to learn to embrace technology, talking to our friends and family by phone and on the internet rather than meeting in person. Zoom, Microsoft Teams and the traditional telephone has meant I have been able to continue to speak to constituents, sometimes singly and sometimes in groups. It has actually allowed me to offer more meetings and greater flexibility to constituents, especially those who might otherwise find it difficult to come to my office due to work, health, childcare or other reasons.

If you would like to get in touch please email: steve.baker.mp@parliament.uk. If you despair of bureaucracy and would like my help with a particular issue, please phone my constituency office on 01494 448408. It only remains for me to send season's greetings and to wish everyone a happy, prosperous and, perhaps more importantly than ever, a healthy New Year.

TOTTERIDGE FC has provided football to the local youth in the community since 1996. For more information and contact details please visit our web site – www.totteridgefc.co.uk

WE ARE YOUR LOCAL COMMUNITY FOOTBALL TEAM!

As like most other organisations, our operations this year have been a mixed bag! We start, we stop, and we start again. By the time this edition arrives we should have continued on with our season after a 4 week break, hopefully with a couple of games before breaking up for Christmas.

The better news is we have had an extortionary start to the season. Not only have we started the new U11s but Michael who came to help along Jon has taken on the challenge of running an U9s team. This means this season we now have 6 teams running and over 90 players registered. It is a credit to everyone at the club to see how we provide community children's football. All teams have had great start to the season and we hope we can continue this when things get back to normal.

Figure 1 - One of our previous teams celebrating Christmas at Hazlemere Rec

This season it looks like we are unable to have our inter club indoor Christmas tournament. We usually do this as a bit of fun to celebrate the break up from school and to celebrate Christmas together as a club. We hope we can do something next summer, especially given we will be celebrating 25 years of the club!

We would love to continue growing, and open up to even younger age groups, especially those school children that attend Highworth, Kingswood, Hannah Ball, Bowerdean and Ash Hill. So if you, or anyone you know want to get involved with running a younger age group (age 8 and under), then please let us know. We have a superb group of coaches (most who are parents of players!), a great club committee and want to offer affordable grassroots football. Volunteer coaches will receive FA training, free fees for their children, and club attire.

If you are interested in joining, either as a player or volunteer, please contact club secretary Simon Kearey by email simonkearey@gmail.com or call the appropriate team manager:

T & T NEWS NEEDS YOU

Can you help distribute the local community magazine? We need volunteers for a couple of hours 4 times a year to deliver the magazine in local roads. Can you help in....

Totteridge Lane / Wynbury Drive
Walton Drive / Walton Close
Hardenway / The Quadrant
Green Road / Ridge Way
Totteridge Drive / Kingswood Park
Tyzack Road / Rushbrook Close

Call us on 01494 463107
or text 07905 888098

E-mail:
editor@tandtnews.org.uk

T & T News is published four times a year in March, June, September and December. We aim to get the magazine distributed by mid month of issue. In order that we can achieve this deadline we need your articles and advertising as early as possible. Our deadline for the spring 2021 edition is 20th February.

We thank all our advertisers and contributors for their support. However T & T News cannot endorse any product or service contain within this magazine. You are advised to check details of all goods and services offered. All contributions are accepted in good faith and opinions expressed are not necessarily that of the editor or T & T News.

That's about it....Join us again in March 2021. In the meantime you can catch up with the latest news on the web at www.tandtnews.org.uk

2020 Advertising Rates:

B & W - Mini Ad £13 / £22 Quarter Page / £44 Half Page
Colour - Mini Ad £16 / £30 Quarter Page / £55 Half Page / £110 Full Page

(Full page adverts subject to availability—Spring 2021 deadline is 20th February)

Back Page N.I.B (News in brief)

Local Groups

At the time of publishing our winter 2020 edition of T & T News many groups, organisations and clubs are no longer running their regular and fundraising events. Where we can updates will be included on our web site at www.tandtnews.org.uk

A new on-line breakfast programme started at the beginning of November presented by Pippa & Jonathan both of whom had previously worked at Wycombe Sound. The station can be found Monday to Friday 7-10am at www.bucksbreakfast.co.uk

T&T News Diary

Remember to let us know your events for the return of the diary page. Between printed editions we can include your events on our web site diary.
