

T & T NEWS

Summer is here! - Get out in Totteridge & Terriers

Its time to enjoy the great outdoors and some of our local pubs and recreation areas. There is lots to enjoy in Totteridge & Terriers with local pubs such as the recently re-furbished and renamed Dolphin Eye. Open daily it has a separate restaurant area serving Indian inspired food and has a varied range of drinks available.

The Beech Tree sits in the dip beside the Amersham Road in Terriers. The pub has recently had new owners after being closed for some time. The pub serves both food and drinks and has an outdoor garden, perfect for a summers day.

The adjoining Terriers Conservation area is worth exploring too with plenty of areas to sit, play and enjoy. A walk in the woods is also an option either as a circular route or walking further afield.

Totteridge Recreation Ground is one of the "Hidden Parks" located behind the houses of Walton Drive and Fremantle Road with an entrance from the more recently developed Milton Place. A quite oasis in the busy outskirts of High Wycombe town. It has exercise, children's play areas and a pathway round making access easy for all.

See inside for all your community news from Totteridge & Terriers.

The **wye** Partnership

It's our business so we care.

The Wye Partnership gained their knowledge and developed their expertise within the most successful estate agents in High Wycombe. On witnessing the take over of these long established companies by nationwide chains we recognised the need for the retention of a local and independent service. Our recent merger makes the enlarged Partnership the strongest Independent in South Bucks and The Chilterns!

All the partners have invested their own money into the Wye Residential Partnership and all truly believe that our business will be built on delivering excellent service to our clients. This means you can be confident that we will deliver on all aspects of Estate Agency in an honest, open and transparent way.

If you are looking to buy, sell or let in High Wycombe or the surrounding Chiltern villages then contact an estate agency that is motivated by your success and talk to The Wye Partnership.

Hello,

Welcome to the Summer 2024 edition of T & T News.

We have had a cool and rather wet spring so lets hope the summer brings some warmer days for those great days out or at home in the garden. If you are going on holiday enjoy your time away but do remember to take care with regards leaving your home empty and posting those holiday photos. There are always people who will take advantage at such times.

In this edition of the community magazine we have all our regular contributions and some new articles including pieces from the Town Twinning Association and Motor Neurone Disease Association. Welcome to our new contributors. We are still looking to include more and increase the number of pages when funding permits. In the meantime make sure you keep up to date with all that's happening locally by visiting our web site:

www.tandtnews.org.uk

Have a great summer and enjoy reading your edition of the community magazine. The deadline for the autumn edition is 20th August with the magazine out from early September.

Research shows that everyone can benefit from doing tai chi. There are many health benefits: physical, emotional, social, cognitive. Memory Partners is a charity which aims to spread these benefits widely to older adults. Donations are used to train more instructors. We especially welcome people with long-term health conditions to the café. Everyone breathes. Tai chi promotes health and wellbeing by helping you to breathe better.

South Bucks Hospice

South Bucks Hospice has paid tribute to its 'amazing and wonderful' volunteers - as it calls on more people in the local area to join them in supporting patients.

The hospice, based at Butterfly House in Kingswood Park, High Wycombe, is marking Volunteers' Week at the start of June by making a renewed appeal for community-minded residents to join its team.

In particular, the charity needs afternoon receptionists as well as bistro volunteers for Butterfly House. It also needs retail staff for its shops in Amersham and Chalfont St Peter.

Jackie Ward, Chief Executive Officer, explained: "We couldn't do what we currently do without our volunteers - they are a fantastic support for our organisation and we really want to grow our team to help patients and their families.

"We have great staff but they do need extra help because there is simply so much for us to do and to cover. Our volunteers are simply amazing and I know they benefit as much from the experience as we do. There are a variety of roles that currently need filling. The bistro, for example, needs people to run it so it can open every day of the week."

The hospice, which supports people with life-limiting conditions, stresses that volunteering need not be onerous and could just involve you doing two or three hours a week, or even helping on an occasional basis with events or collections.

In return, volunteers learn new skills and make new friends while gaining the satisfaction of doing vital work to help people in need.

"If you have a few hours to spare and want to make a difference, please contact us," added Jackie. "Just a small amount of unpaid work on a regular basis can go a very long way."

* If you are interested, please email the hospice at volunteers@sbhospice.org.uk

Wycombe Wenches WI

Wycombe Wenches continue to welcome women who like to share the company of others for a variety of interesting activities, both evening and daytime. In April we re-launched our Activities' groups, so we now have a new Culture Club, for visits to theatres and the cinema, a Garden Wanderers group, for outings to gardens and garden centres, plus gardening advice via Whatsapp, and a Film Club, where we all watch the same film on BBC iPlayer, then meet up for coffee to talk about it. In addition, our other regular groups are still meeting – the Book Club (now called Bookworms), the Walking Group, Monday morning Coffee and Chat (this was Knit and Natter, but now you don't have to bring a craft unless you want to!), and the Supper Club (now called Winers and Diners). Each group is now headed up by a different member of Wycombe Wenches, so lots of people are involved. Depending on your interests, there is always something going on!

Our new programme of speakers for the year started again in April, with a speaker from the Royal Flight, when we heard about the history of Royal flights, including many anecdotes. In May we held our resolution meeting, to hear more information about the proposed resolution going forward to the National Conference – “Dental Health Matters”. As one of our members is a retired dentist, she was able to add lots more information and give a greater understanding of the how the finances of a dental practice impact on patients. Following this we had a timed Pictionary game, which caused much hilarity! Our June meeting will be a talk on Lord Byron – who knew that he wasn't just a poet, he was a rock star?

Our extra activities programme is also becoming more active now the weather is warmer, and we have lots of trips lined up – including to the Royal Mail Postal Museum and the Bank of England Museum. Our afternoon tea parties last year were a great success, so we are doing those again this year, spread over May, June and July, and those held already have been greatly enjoyed.

If you are interested in joining our friendly group, please contact us via the email address below. We meet on the second Wednesday of each month, at the Cricket Club on London Road, High Wycombe, at 7.30pm.

Best wishes

Terriers Evening W.I.

We have moved to a new venue and time

**Cedar Barn, Barn Lane, Hazlemere, Bucks, HP15 7BQ
Meetings start 10.30 am (Finish 12:30pm)**

From June we will be known as **TERRIERS W.I.**

In March we held our annual AGM, as part of the NFWI we must submit annual reports and audited accounts to the National Federation WI. Our meeting started with the yearly reports from our President, Secretary and Treasurer. We have welcomed new members this year, with a membership of 30, and a good financial position, we look forward to the coming year.

The committee are looking into finding a new venue to hold our meetings, somewhere more central and with an earlier start time that would be more suitable for members without transport, (see above). After our new president was voted in, we finished with a quiz on photographs of famous people, followed by tea.

In April our speaker was Peter Healy from the Amersham Museum, he gave us an interesting talk and slideshow on photographs taken by George Ward.

George Ward lived in Old Amersham and took photos recording everyday life and special adverts in Old Amersham from 1880 to 1930. When the railway came to the area in 1882 it was built on the hill and the new town of Amersham on the Hill started to develop a round it leaving the old town to keep its small and historical buildings which we can still see today. He also told us how the building of the gasworks in the town had divided people, as they were glad of the new gas lighting in their homes, but the gasworks were regarded as an eye saw.

At our May meeting we discussed and voted on this year's Resolution. There is a chronic shortage of NHS Dentists, and people are suffering health issues as a result. If passed at the AGM The NFWI would call upon the Government to increase investment in the training and retention of dentist and review the current inadequate NHS contracts to ensure everyone can access an NHS dentist wherever they live.

This was discussed at length and we voted to send the resolution forward with our delegate to vote at the NFWI AGM at the Royal Albert Hall in June. We ended the meeting with a show and tell by our members

**Future Meetings - 6th June – One Can Trust
July – Garden Party time and location to be confirmed
August – no meeting
5th September – Charles Dickens by David Gantzel**

Visitors and new members are warmly welcomed and invited to join us 10.30 am Cedar Barn, Barn Lane, Hazlemere HP15 7BQ on the first Thursday of every month except August, plenty of on-site parking

Rainbows, Brownies, and Guides

We are currently looking for new leaders and helpers to help in our Rainbow, Brownie, and Guide units.

We're a friendly organisation looking to make a difference in the lives of girls and young women. Maybe you were a Rainbow, a Brownie, or a Guide yourself, and can remember the fun you had. Why not think about how you could get involved for the next generation?

If you would like to find out more information, please go to <https://www.girlguiding.org.uk/get-involved/become-a-volunteer/> You'll be able to register your interest and then one of our local volunteers will reach out to have a chat with you.

In this area we have Rainbow (aged 5-7 years), Brownies (7-10 years) and Guides (10-14 years).

We always love to welcome new young members so if you're interested in your daughter joining one of the units, register your interest using the link. <https://www.girlguiding.org.uk/information-for-parents/register-your-daughter/>

You will be able to see the units in the area and find out where they meet. Once you have registered your daughter, one of the local leaders will then contact you with more information.

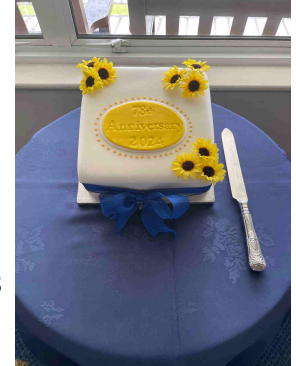

Visit www.renniegrovepeace.org for more information and to book your place

Inner Wheel Club of High Wycombe

We have had a really busy few months since the last publication.

Our events included a Snip and Sew Morning and a Sausage and Mash lunch.

Our May lunch celebrated 78 years of the Foundation of the High Wycombe Club. We were given a very animated talk by the speaker, Cllr Arif Hussain, former Mayor of High Wycombe about his personal history and his life as a councillor and as Mayor of High Wycombe. More money was raised with a raffle and more publicity in the Bucks Free Press!

We have lots more events planned at the Club, please do phone me on 07719719636 for more information. I look forward to hearing from you.

Bucks

As 3.5 million people look to buy a used car Citizens Advice Bucks shares top advice tips to help motorists steer clear of problems

Problems with used cars are consistently the top complaint made to Citizens Advice Bucks.

New data reveals last year the charity's national Consumer Service received a complaint about a used car every three minutes. The amount of people calling the helpline last year from Bucks rose by 16% on the previous year. The majority of these (66%) complaints were about defective goods, while 13% concerned safety issues.

Craig Glynn, Interim Chief Officer of Citizens Advice Bucks, said:

"Unexpected car problems can cost us more than just money, they can leave people missing work or unable to drop their kids off at school. But all too often we hear from motorists who've had used cars mis-sold to them and have had to shell out hard-earned cash to fix surprise issues."

"Many of us across Buckinghamshire are feeling the pinch right now, so it's vital to make sure you're steering clear of surprise problems and are getting exactly what you paid for when buying a used car. Before making a big purchase like a used car, don't forget to brake, and make all the right checks before you buy."

Citizens Advice Bucks top tips:

- ❖ Check the trader
- ❖ Check the car's history

Paying for a used car

Ask questions if you're unsure about anything in the small print. Remember you can stop the deal if you feel like you're being pressured into paying too much or buying additional features. Make sure you get the original (not a photocopy) of the log book (the V5C registration certificate) and the valid MOT test document. Never buy a car without the log book.

If you make payment by a debit card you may have protection from your providers chargeback scheme. With a credit card as long as you paid more than £100 up to £30,000 even with a part payment you are covered under section 75 protection.

Contact the Citizens Advice consumer helpline on 0808 223 1133 if you need more help - a trained adviser can give you advice over the phone.

CHAMELEON SINGLES GROUP

The winter months seem to have been extended this year though to April! However, we did manage to get out on one walk in early February from Old Amersham up to the new town on one of the few dry and mild days. We crossed the railway at the only level crossing on the London Underground, saw the model train in the new town and the Martyrs Memorial on the way back down the hill.

Other events since the start of the year have all been indoors. These have included our regular Lunch Club on the second Friday of the month at The Spindle & Thread and the Pub Night held at The Crown in Hazlemere on the last Thursday. For those preferring to stay at home or not able to get out we have a monthly Zoom social.

Other early events for 2024 have included Coffee Morning's in Princes Risborough, Hazlemere Golf Club and also the Air Raid Café in High Wycombe. Pancake Night on Shove Tuesday is always popular and we are very grateful to our "Chefs" who worked hard in the kitchen so we could enjoy this traditional start to Lent. Of the less usual events we went to the Wycombe Rifle and Pistol Club to try out target shooting on one of their open days.

The club really does have a wide variety of events throughout the year, all suggested and run by our members. We are planning once again this year for some day trips out including one to the coast and to Guernsey. Our walks will continue on a regular basis along with some of the more popular events such as Quiz Nights, Take-away evenings, and the occasional trip to the Cinema and Theatre. Summer of course will see us take to a member's garden for a BBQ or perhaps two.

If you are single, 40-60's, looking for new friends and a great social life why not give Chameleon Singles Group a try? There are no strangers at Chameleon, just new friends to be made. The group has several local people from Totteridge, Terriers and the surrounding areas and you would be very welcome too. To find out more call Terrie on 01494 445816, Trevor on 07879 332975 or e-mail: info@chameleonsingles.org.uk. Visit the group on-line at www.chameleonsingles.org.uk or search Facebook.

Terriers Community Garden

How things have changed, amazing what a little sunshine can do. There has been spectacular growth in the garden, the daffodils have given us their beautiful carpet of yellow and along came the multicolours of the tulips. We had blossom on our tiny fruit trees and began tentatively planting a little. At the moment we have planted some squash plants, beans, peas, and onions. The church had a cherry tree felled, that had passed away, leaving us with many logs and chippings which we have used to spread around the paths. Now the purple Iris and wallflowers are flowering and we are planting fuchsias, geraniums etc into pots and the hanging baskets. If you missed the Church's Spring Fayre you missed many bargain plants on the Garden stall, Tomatoes, Cucumbers, Beans, Courgettes and garden flower plants too. Look for future events when we have excess baby seedlings and produce to spare. Of course this would not be possible without the help of volunteers. We have a few people who pop in just for the fun of doing a bit of gardening and our regulars myself, Jane and Pauline. But some jobs are not easy without a bit of muscle. So come on chaps give us a hand.

Now the weather is getting better it is a real pleasure to see the results of our work, and sit in the sunshine with our coffee to relax and enjoy the quiet and peaceful surroundings. This is the best way to exercise.

We are around usually Thursday and Saturday mornings (weather permitting) and would love to meet you.

"The Chiltern branch of the Motor Neurone Disease Association supports people living with Motor Neurone Disease (MND) and their carers in the Chiltern area. MND affects the nerves known as motor neurones that are found in the brain and spinal cord, and which help tell your muscles what to do. With MND, messages from the motor neurones gradually stop reaching the muscles. This leads the muscles to weaken, stiffen and waste, which can affect walking, talking, eating, drinking and breathing. MND is life shortening and there is no cure.

The branch supports people with the disease in a number of ways. Our volunteer Association Visitors offer 1-2-1 emotional support to people living with and affected by the disease and provide practical information to help ensure they get the support they need. We have monthly support meetings where people living with and affected by the disease can meet each other and our volunteers for an informal chat over tea and cake. These take place on the third Monday of the month in Cedar Barn in Hazlemere and the second Thursday of the month in Aylesbury Rugby Football Club (except for August). The branch, and the wider charity, also offer financial support grants to help with a number of different things including improving quality of life, providing equipment and helping with the cost of living with the disease.

To support our branch activities we run a number of fundraising events in the year and have others who kindly fundraise for us. We have a fundraising target in 2024 of £30,000. Our next event is an open gardens event at Bledlow Manor near Princes Risborough on Friday 14 June. The beautiful and extensive grounds will be open from 2pm to 5pm and we'll be serving tea/coffee and homemade cakes in the lovely tea rooms. Tickets are £7.50 in advance via Eventbrite, (search Bledlow Manor) or visit :

<https://BledlowManorGardens.eventbrite.co.uk> or tickets are available at £9 on the day. There is no charge for children under 5 or people with MND and their carers. For more information about our branch visit:

Working together to improve wellbeing

I wonder do you know about the High Wycombe Town Twinning Association and that it has existed for nearly 40 years?

It was started in 1985 when visitors from Kelkheim came to High Wycombe to enquire as to whether people in High Wycombe would be interested in and would like to "twin" with them and share cultural visits, school visits and general meeting of local residents of both towns to further understanding of each other's towns and country?

Kelkheim is a small town near Frankfurt in Germany. Kelkheim, like High Wycombe at the time, had a flourishing furniture industry and felt that High Wycombe had many similar qualities. It was agreed that we would work to exchange visits to each other's towns, arrange visits from schools, music groups, swimming clubs and from the Fire Service.

At the moment the High Wycombe Town Twinning Association (HWTTA) has a small Committee, as does Kelkheim, who organise exchange events between our two towns. Every other year a group of the HWTTA Members visits Kelkheim for a weekend where they are hosted and stay with the families in Kelkheim. Events and visits are arranged and many good friendships are forged.

In September this year it is the turn of Kelkheim to visit High Wycombe and we have a number of events planned from a visit to Windsor, meals out, walks around the town and of course our Kelkheim visitors stay with High Wycombe hosts.

We are looking for new members and perhaps you would consider joining the High Wycombe Town Twinning Association and become involved, and maybe you may like to host a Kelkheim visitor? We do look forward to hearing from you.

RECORDS WANTED

1950'S—1960'S LP's/ EP's/ 45's

WERE YOU BORN AROUND 1935—1955?

DID YOU BUY RECORDS BETWEEN 1955—1970?

ARE THOSE RECORDS NOW GATHERING DUST IN THE ATTIC/ CUPBOARD/ SHED?

IF SO PLEASE CONTACT
PAUL EVANS ON 01494 718460 OR
EMAIL paulbuysrecords@btinternet.com

I AM INTERESTED IN
ROCK'n'ROLL, BEATLES, ROLLING STONES,
WHO, MOD, SOUL, BEAT etc etc

Hi my name is Paul Evans and I have placed a RECORDS WANTED advert in this magazine.

The reason being that many records in many houses are un-wanted! They used to be wanted. They used to be loved. Many years ago they were bought and played and gradually became a collection. But over time they got played less and less and eventually they were put into a box and hidden away. Many are still in those boxes, in attics, in cupboards, even in sheds. They have survived house-moves and spring-cleans, but now, forty or fifty years later they are effectively

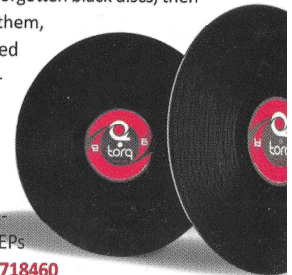

forgotten. Some people come across them and cannot even recall why they bothered to store them away in the first place. They no longer even have a record player. And so they either throw them away, or give them to a charity shop (if they can find one that will still accept them) or perhaps take them to a car boot sale—where people like me will look through and buy them. Because, going back to my first line—I DO want records. Not each and every record of course, but there are many that I do look out for that were purchased between around 1955 to 1970 or so, and if by chance this triggers a memory and you give me a call to come and look at your poor sad long-forgotten black discs, then

I will be happy to pay for them, and they will become loved

once again! I look for anything from early 45s from the 1950s through to rock'n'roll, 1960s pop, beat, soul, Motown, spoken word, jazz and occasionally certain classical LPs, EPs

and 45s. **Call me on 01494 718460**

or email paulbuysrecords@btinternet.com.

YOUR LOCAL COMMUNITY FOOTBALL TEAM! And update from the Chairman, Oliver Witney

The SEASON END. Our last games have now been played and you’d think that it will slow down for us, but instead it gets busier!

Figure 1 – Our U18s after their final game

We have had a very good spring, the teams have played plenty of football and its been a great end to the season. The U18s played their final league game as a 3rd place playoff which was a great competitive fixture.

The U14s reached their cup final which was played at Thame United. It was a eye opening experience for the players who got the play on a stadium pitch. Unfortunately they didn’t come away with the winning trophy but it was a fantastic achievement to reach the final and put up a fight in the final. Well done to Jon, his coaches and the team for what they have managed to achieve this whole season.

Figure 2 – Our U14s after their cup final

We now start preparing for our celebration day. We plan to have games, prizes and trophies for the whole club and their family and friends. It is a tough ask as it requires a lot of organising, and always a bit nerve wrecking in the hope that the weather will be good!

Alongside this we already have to start preparing for next season. We plan on running a new U10s (those finishing year 3 and 4), as well as starting a new U15s (current U14s) next season. I am extremely thankful for our volunteers who do an awful lot for the club and to keep things going. We want to make sure we offer as much football for children in the area as possible and this is only possible with the volunteers!

If you are interested in joining, either as a player or volunteer, please contact myself, Oliver Witney on 07706888441.

Riding with Chiltern Cycling

Join your local Cycling UK group this spring

Chiltern Cycling group offers both led rides and coffee Pots every Sunday morning. With summer here hopefully the drier and warmer weather will make for some pleasant rides along quite lanes that surround us.

On Sunday 16th June we have a cycling day based at Great Kingshill Village Hall. This will include rides, food, Dr Bike and a chance to meet and ride with other local cyclists.

Our coffee Pots are held each week in different locations including Hughenden Valley Coffee Shop, Hildreths Garden Centre, The Potters Arms at Winchmore Hill, The Apple Orchard, West Wycombe and Costa or Matildas in Great Miissenden.

Chiltern Cycling has a zoom social on the 1st Thursday of each month.
