# The **wye** Partnership

## It's our business so we care.

The Wye Partnership gained their knowledge and developed their expertise within the most successful estate agents in High Wycombe. On witnessing the take over of these long established companies by nationwide chains we recognised the need for the retention of a local and independent service. Our recent merger makes the enlarged Partnership the strongest Independent in South Bucks and The Chilterns!

All the partners have invested their own money into the Wye Residential Partnership and all truly believe that our business will be built on delivering excellent service to our clients. This means you can be confident that we will deliver on all aspects of Estate Agency in an honest, open and transparent way.

**If you are looking to buy, sell or let in High Wycombe or the surrounding Chiltern villages then contact an estate agency that is motivated by your success and talk to The Wye Partnership.**

Hello,

Welcome to the Spring 2025 edition of T & T News.

As we entered the new year this marks our 18th year of publication. Over that time a lots of things have changed in particular how we receive news and information which is now very much driven by the internet. Advertising has changed too as we find more of this coming up on our phones and computers and less in print.

Its time now for T & T News to move fully onto the digital platform. Our web site has been growing over the last few years and along with digital subscriptions this is now the way forward for T & T News. We'll still do the occasional printed flyer to remind readers of our digital offering but from summer 2024 we'll not be in print.

In this edition we have all our regular contributors and welcome more from the growing number who now visit:

## South Bucks Hospice is seeking a volunteer head gardener

Do you have some free time to volunteer to support a hospice which provides help and hope for people with life-limiting conditions? South Bucks Hospice, based in Kingswood Park, High Wycombe, is, in particular, currently looking for skilled gardeners and café helpers to volunteer their time for the charity.

The hospice emphasises a ‘holistic’ approach to care, meaning it looks after the whole person and their family. It says: “Our beautiful garden, fully run by our volunteers, provides a safe and calming outdoor space for our patients. “We are looking for any skilled gardeners who are willing to volunteer their time to help us maintain and develop this valuable area at South Bucks Hospice, for a minimum of five hours a week.

“This is a great opportunity to become a volunteer and support our charity in its development and growth. We are looking for individuals who have a passion for gardening and have a desire to make a positive contribution, as part of the South Bucks Hospice volunteer team.” Ideally, the hospice would like a volunteer head gardener to do the lawn mowing for a small patch of grass and heavier manual work and provide guidance for the current team of gardeners. However, anyone who wants to join the team should contact the hospice to find out more.

Meanwhile, café helpers are also being sought. Volunteers who can commit to at least one day a week from 10-2pm are needed to make and serve simple refreshments such as toasties and cakes, as well as help with washing up, using the till and talking to customers. Training will be available.

Nick Callaghan, the CEO of South Bucks Hospice, said: “Our experience tells us that volunteering is incredibly rewarding for both volunteers and our patients. By sparing just a few hours a week, you can make a huge difference to someone else’s life.” If you are interested in finding out more about volunteering, please E-mail: [volunteers@sbhospice.org.uk](mailto:volunteers@sbhospice.org.uk)

## Wycombe Wenchies WI

Wycombe Wenchies has resumed after Christmas, despite the weather's attempts to stop us! Some photos of our December activities are included below, and we have continued to follow our goals of educating and informing. Despite the threat of snow, a few of us were able to get together in January to hear a very informative talk on "Warrior Women in The Civil War" when we learnt a lot about the roles that four women played in the events of the 17<sup>th</sup> century. Following the speaker, we held a short discussion to find out about the WI resolutions proposed for this year, and voted on which resolution we wished to be put forward. In February, another very interesting speaker told us about the conservation efforts concerning butterflies of the Chilterns and gave us information on which plants to include in the garden to encourage butterflies. Our speaker in March told us about masquerade masks and their significance. We are currently finalising our speaker list for the new year starting in April, and have some extremely interesting events lined up!

The Culture Club had a small break over the early months of the year but have plans for the coming months, including lunch and a play at "The Mill At Sonning" and other plans going right into September. The Film Club meets regularly and recent films have included "The Last Bus", "My Old Lady" and "Wonder Boys". Bookworms continue to meet monthly at Hughenden Community Café for lunch, and chat about the month's chosen book, which in this season have included "The Homecoming" and "All The Glimmering Stars". The Walking Group have also taken a short break while the weather has been bad but will recommence shortly. Winers and Diners resumed their meals out, with a visit to "Eat Nua" in Wycombe and "The Crown" in Penn.

### A variety of our Christmas activities -

Tasting and scoring different Christmas food and drink

Our decorated tree for the Tree Festival at All Saints Church

Christmas meal at The Spindle and Thread

Before Christmas, we were able to give over £200 in vouchers to the Women's Aid Refuge, and we continue to support them with our monthly collections of items. In February we also held a book and jigsaw sale, which raised funds for our own group. These sales are proving to be very popular and have turned into an annual event. We are looking forward to the WI area quiz in March, where we hope to repeat our success of last year!

No pressure, team!

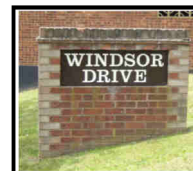

If you are interested in joining our friendly group, please contact us via the email address below. We meet on the second Wednesday of each month, at the Cricket Club on London Road, High Wycombe, at 7.30pm.

Best wishes

Diane Haylor

## Terriers W.I.

**December** - Louise Childs a local singer and musical director brought her electric keyboard to our meeting; were she entertained us by playing and singing Christmas carols and festive songs. She also provided song sheets for us to join in. We had a relaxing morning and enjoyed mince pies with our tea and coffee.

**January** - Vickie Farrell a professional organiser came and gave us examples on how we can declutter our homes. Most of us have more items that we need. This can affect our mental health, or when downsizing to a smaller home, this task can be daunting. But if we plan and organize ourselves, we can keep the items we need and want to keep, and can then deal with any broken or duplicate items, and things we never use anymore. [www.declutterright.com](http://www.declutterright.com)

**February** - Jo Clarke a Seated Yoga Instructor, gave us an example of how Seated Yoga can improve our health and keep us much fitter and relaxed. This included exercises with our hands, arms, legs, head, and chest, while sitting on a chair. This form of gentle movements will strengthen muscles and help with our balance. We all felt the difference, and felt more relaxed, All the exercises can be done in our own homes.

Due to our new location and earlier start time, we have had a large influx of new members, unfortunately due to health and safety reasons we have had to temporarily restrict the size of our membership.

## Rainbows, Brownies, and Guides looking forward to Spring!

Rainbows, Brownies and Guides in High Wycombe have been enjoying being back together after their Christmas break. They have been getting involved with lots of different activities and trips as well as working on a variety of badges. One unit had a yoga teacher come in for an evening who led a Yoga and relaxation session. The girls (and leaders) did really well and thoroughly enjoyed the experience.

Another unit went on a very exciting trip to High Wycombe fire station. They were shown around 2 of the fire engines and even got to sit in them! The girls asked lots of questions and learnt a great deal about the fire service. Perhaps there will be some firefighters from the unit in the future! We are all looking forward to getting out and about more when the weather improves and are planning lots of exciting things for the girls.

### **There are 4 different age groups of girls in Girlguiding : Rainbows aged 4-7, Brownies aged 7-10 , Guides aged 10-14 and Rangers aged 14-18**

## INNER WHEEL CLUB OF HIGH WYCOMBE

### FRIENDSHIP LUNCH – 4<sup>TH</sup> NOVEMBER 2024

We enjoyed hosting our friends from Reading Maiden Erlegh Club, some Rotary partners and friends to our friendship lunch where we also sold homemade cakes, jams, chutney and mincemeat. A total of 36 people attended and we raised £154.50 from the sale of produce. Our President Alison and Barbara Cunningham from Reading Maiden Erlegh lit the candle of friendship. Dr Sarah Atwell from High

Wycombe Child Contact Centre spoke to us about the work of the Charity. Sarah explained that trained volunteers run the centre, the basis being that parenting should not end when parents split up so the centre provides a safe, relaxed environment for children to meet parents from whom they are separated.

### WREATH LAYING – 10<sup>TH</sup> NOVEMBER 2024

Our President Alison attended the High Wycombe Remembrance Sunday wreath laying on behalf of our club at the War Memorial and the church service that was held afterwards. Alison said 'It was an honour for me to represent the Club and my son, Flt Lt Rob Daniell, accompanied me wearing his RAF uniform so I was doubly proud!'

### CHRISTMAS LUNCH

We were very well entertained by the Heath Singers prior to our delicious Christmas lunch which was enjoyed by all. We raised "£275 from the raffle and many members gave a donation to the benevolent account in lieu of Christmas Cards. Food donations were also made for the One Can Trust.

### CHARITY LUNCH – FEBRUARY

We had a most enjoyable lunch at the Cricket Club preceded by a welcome glass of Prosecco. This was followed by an interesting talk by Anthony Long on the subject of the TV series Midsomer Murders. The long running series has been set mainly in the Buckinghamshire area. I was fascinated to hear that the theme music is not actually played on an instrument but on a theremin. The theremin is an electronic instrument controlled without physical contact by the performer. The performer literally waves their hands over the radio waves that the theremin produces and thus generates the sound. We raised £545 from the auction and £205 from the raffle.

## CHAMELEON SINGLES GROUP

Our winter events have mainly been indoors with some members hosting events at home. Perhaps a good thing with the cold snap as we look towards spring and summer. As usual we had a Christmas Dinner Dance this time held at the Spindle & Thread in High Wycombe. There were 16 of us who enjoyed a 3-course meal along with drinks and a disco to end the evening. It was a great evening out as 2024 drew to a close.

Our AGM is held at the end of January and is very much a planning meeting for events in the coming year. We will be looking forward to some more trips out and perhaps a short holiday with overnight stay for a day or two. We continue to do our walks on a regular basis and this year once again will be supporting one of the Snowdrop Walks in West Wycombe Park.

Along with our popular regular events including the Lunch Club on the second Friday of the month and the Pub Night on the last Thursday we continue to do much more driven by our members and their ideas. We plan to attend the Hazlemere Community Centre Quiz in early March and so far we have avoided the wooden spoon! We have yet to be declared winner but will continue to try.

For those who want to join us from home we have a Zoom social where we catch up for 40 minutes once a month. This is particularly useful for those who cannot easily get out to events and is also a place to swop ideas for future events and plan any travel.

If you are single, 40-60's, looking for new friends and a great social life why not give Chameleon Singles Group a try? There are no strangers at Chameleon, just new friends to be made. The group has several local people from Totteridge, Terriers and the surrounding areas and you would be very welcome too. Spring is on its way, Snowdrops are flowering and we have loads of bulbs showing their faces. We now have a finished path through the Nature Trail on the left hand side of the church. There are 6 bird boxes up and various food containers around. We used the Christmas Tree at the end of the path, to put food for the birds which the children from Messy Church

made along with bug hotels. As it has been so cold and wet over the winter. The trail needs a little tidying up, but we left some of the branches to give cover for any creatures that live there.

We don't have much planted in the beds - onions and garlic. The rhubarb is trying to pop its head, and perpetual spinach is still going strong. We are waiting patiently for the weather to get

warmer when we can see if our Dahlias and Geraniums have survived in the greenhouse. Then we can begin planting seeds.

We have more light for our beds now as the Laurel Tree which shaded them was felled by the Chiltern Rangers, while they were finishing the path. We might even need to shade them now if we get a hot summer?

Today the sun is actually shining, though cold which makes such a difference and it would be perfect if we had more light in the day.

There has also been a couple of events by groups using the Firepit by Feedback Global and the Forest Church in the quiet ring of logs. So please pop in to have a look.

As usual we try to get into the garden on Thursday and Saturday mornings (weather permitting) as there is so much to do and we would love to have more volunteers. You would be made so welcome.

### End of the copper line

From this year copper phone lines are being phased out in place of fibre-optic connections. These will offer better quality calls and faster broadband speeds meaning we'll all be better connected. The old wires will no longer carry our calls and the old telephone exchanges will be de-commissioned. Some 99% of current handset will be compatible with the new digital phone service. In most cases you will just plug your phone into your modem rather than into the phone socket on the wall. There is more information on the BT website at: [www.bt.com/digital-voice](http://www.bt.com/digital-voice)

## Memory Partners Charity

The last edition of T&T News gave details of our tai chi cafés in Totteridge and Beaconsfield. In our aim to spread the benefits of tai chi for health and wellbeing more widely we are proud to announce that last month we were able to run a training workshop to produce new instructors. The cost of doing so was covered by donations from the café with support from the community centre.

## Emma Reynolds MP

Since my last contribution, I have been appointed by the Prime Minister as Economic Secretary to the Treasury. I look forward to working with the Chancellor to boost the critical role of financial services in driving growth across the country and delivering vital services to people.

My commitment to the people of Wycombe remains unchanged and I will continue to work tirelessly on behalf of my constituents. Since being elected last year, I have been privileged to meet so many local residents, businesses and community groups and I look forward to continuing that work. I also hold regular surgeries where my team and I are help constituents on a wide range of topics, surgeries are a fantastic way to talk with residents who need extra assistance.

Many constituents have been in touch to share their concerns about the rail services in Wycombe and as a regular commuter, I know how important an efficient train service is. I met with the Managing Director of Chiltern Railways, to discuss these local concerns and the steps being taken to improve services. I have requested to meet with the Secretary of State for Transport to discuss how we can deliver the best rail service for Wycombe.

I was pleased to meet with representatives from Wycombe Friends of the Earth to discuss how the Government is delivering on climate action. The previous government left our rivers, lakes and seas choked by record levels of sewage and I was pleased to recently vote for Labour's Water Bill. This legislation will clean up our waters by placing water companies under special measures with new powers to ban bonuses and bring criminal charges against polluting bosses.

I was pleased to visit local company Cableflow, the UK's largest manufacturer of Medical Supply Units, which are used across the NHS and the private healthcare sector. I look forward to supporting Cableflow in developing closer ties with the NHS.

I know many Wycombe residents are concerned about our local NHS services; further highlighted during my meeting with HealthWatch Bucks. I was pleased by the Government's recent announcement of £25m for Buckinghamshire's public health services, as part of a £200m national funding boost.

### RECORDS WANTED

1950'S—1960'S LP's/ EP's/ 45's

WERE YOU BORN AROUND 1935—1955?

DID YOU BUY RECORDS BETWEEN 1955—1970?

ARE THOSE RECORDS NOW GATHERING DUST IN THE ATTIC/ CUPBOARD/ SHED?

IF SO PLEASE CONTACT  
PAUL EVANS ON 01494 718460 OR

I AM INTERESTED IN

WHO, MOD, SOUL, BEAT etc etc

**Hi my name is Paul Evans and I have placed a RECORDS WANTED advert in this magazine.**

The reason being that many records in many houses are un-wanted! They used to be loved. Many years ago they were bought and played and gradually became a collection. But over time they got played less and less and eventually they were put into a box and hidden away. Many are still in those boxes, in attics, in cupboards, even in sheds. They have survived house-moves and spring-cleans, but now, forty or fifty years later they are effectively

forgotten. Some people come across them and cannot even recall why they bothered to store them away in the first place. They no longer even have a record player. And so they either throw them away, or give them to a charity shop (if they can find one that will still accept them) or perhaps take them to a car boot sale—where people like me will look through and buy them. Because, going back to my first line—I DO want records. Not each and every record of course, but there are many that I do look out for that were purchased between around 1955 to 1970 or so, and if by chance this triggers a memory and you give me a call to come and look at your poor sad long-forgotten black discs, then

I will be happy to pay for them, and they will become loved

once again! I look for anything from early 45s from the 1950s through to rock'n'roll, 1960s pop, beat, soul, Motown, spoken word, jazz and occasionally certain classical LPs, EPs and 45s. **Call me on 01494 718460**

## T & T News goes digital!

After 18 year as an in-print community magazine T & T News is moving to a digital format. Many of our readers now read the community magazine from the web site and we are introducing a free subscription to have the community magazine delivered straight to your inbox.

### So why is this happening?

T & T News like many community magazines are finding it increasingly difficult to find funding and advertising to cover the cost of printing the magazine. Indeed, over the last few issues we have been losing money. Also we have an aging and diminishing team of volunteers who are able to distribute the magazine. Some have been with us since the first issue!

### What's next?

T & T News will be moving to a digital format. This means the magazine will either be available by download from the web site or by subscribing for free to receive a copy direct to your inbox.

**If you would like to subscribe please e-mail: [editor@tandtnews.org.uk](mailto:editor@tandtnews.org.uk)**

Include in the subject line: subscribe 18+ (If you are over 18 years old) or subscribe Under 18 (for children and young people, parental permission should be sought)

T&T News is a magazine that is suitable for all. However, for our Under 18 subscribers we shall ensure no adult content is included or details such as lottery promotions are send. Your details will not be shared under our privacy policy.

## YOUR LOCAL COMMUNITY FOOTBALL TEAM!

**And update from the Chairman, Oliver Witney**

**WET WET WET.** As it is every year, we started 2025 with postponements most weeks. Unfortunately our pitches get quite wet and we can't play with standing water. However this hasn't stopped all our games. We had two teams reach the semi finals of their cup competitions. Sadly, the U15s lost in their semi final on penalties after the game ended 1-1 vs Haddenham. The U18s did manage to beat their very tough opponents to reach the final. We all are looking forward to seeing Tak and the team in the finals come May.

Like in the previous Winter article, we mentioned sponsors and just before Christmas we managed to get a grant for some new goals.

The previous goals were broken and we were unable to purchase replacement parts, so new goals it was. Thanks to the FA providing replacement goal grants we were able to get these in the ground just after the new year. A big thanks to Jon for getting the goals into the ground!

The Saturday Morning club run by myself is going really well, with lots of young players really enjoying it. If you know any in Reception up to Year 2 that is wanting to try out football then please get in touch.

Next year we would like to continue expanding the club, as we will be losing the U18s to adult football, so we would love some volunteers to come and join us to help develop the next group of Totteridge players! We hope to start an U9s team and expand to an additional U11s team should we get enough players.

**If you are interested in joining, either as a player or volunteer, please contact myself, Oliver Witney on 07706888441.**
