## WELCOME TO T&T NEWS

Hello,

Welcome to the Spring 2015 edition of T & T News. Yet again we have another packed magazine with both regular, occasional and some new contributors too. If we are not mentioning your group, organisation, church group, social club etc then let us know your news so we can include you in the next edition!

With the Big Lunch once again taking place in June we have an article on this from Mike Russell. This really is a good chance to meet up and catch up with your neighbours, hear the local gossip and help each other. It's a great day in the outdoors too plus its on everyone's doorstep.

One issue that is going to be important in the coming years is further local housing development. David Wainman reports on this: Terriers Farm - the end or a new beginning.

Read on for all your local news..... Good reading!

Where it is harder is finding people to run the teams, with this in mind the club are committed to helping volunteers by subsidising the cost of training on FA level 1 coaching, child protection and emergency aid courses. If you've considered taking up a volunteering role in what is a very rewarding environment but are concerned as to whether this is right for you, come along to our training sessions and meet the coaches and players. They will explain how the role works and give you an insight into why they do it.

Just before Christmas the whole club got together down the Rye for the 'FA Football Remembers' photo to commemorate the 1914 truce football match. The opportunity was taken to recognise one of our own long standing unsung

heroes, a certain Mr Steve Jackson. Special guest, FRANKIE & BENNY'S mascot Sketch the Dog presented Steve with a much maligned club plastic crown to honour of his years of service and just to make up for his lack of awards, a meal for two at their Eden restaurant. To find out the story behind the plastic crown you will need to visit our web site - click on the crown!

TOTTERIDGE FC has provided football to the local youth in the community since 1996. For more information and contact details please visit our web site – [tottfc.intheteam.com](http://tottfc.intheteam.com) or find us on Facebook.

The UNDER 14's continued their fine form and are in an excellent position to push for a medal place finish. A recent draw away to fellow challengers Crendon Corinthians leaves them sitting in 2nd place having played one more game than the leaders Chesham Athletic. With a return game against Crendon due to be played as I write and both home & away games to be played against Chesham we are in for an exciting end to the campaign.

**STOCKLINE LIMITED** The team have recently returned to the club traditional colours of yellow & green playing in a new kit sponsored by STOCKLINE LIMITED, who are based in Cressex. We are extremely grateful to our kit sponsors who through their invaluable support enable us to keep the cost, of which full team kit is a major club expense, free from the player's fees.

Our two mini football teams have had some mixed results with the UNDER 8's generally fairing a little better than the UNDER 10's. Both these teams are still a little short on player numbers and are having to 'share' fixtures with Beaconsfield Holtspur. Training takes place Saturday mornings on the Rye and what they learn is put into practice in the occasional Sunday match against opposing clubs. The mini format is great fun and encourages each player to play an active role; we welcome new players to come down to training for a free trial session to give it a try.

We are fortunate to have some really passionate caring coaches & helpers who work well with the children giving us a good foundation to grow. Growth through new younger age groups is important for the future development of the club and our catchment area of Totteridge, Bowerdean and Micklefield gives us a fantastic base in which to draw new players.

## Terriers Evening W.I.

Our Birthday Party in December was a festive occasion. We had a delicious meal cooked by our new President's husband and we were entertained during the evening with songs, all old favourites. A beautifully decorated Christmas cake was made and decorated by one of our members. We joined a new group of W.I.s this year, Hampden Group. They have made us most welcome and we were pleased that representatives from each W.I. were able to come to our party.. It was a good chance to get to know them.

It is always good to take stock, to look back and to see where we should be going. We decided to do this in January. We discussed in groups what we would like to stop, continue and start. In the main members were happy with the current structure. One suggestion was the formation of a Walking Group. The points raised will be discussed by the committee with suggestions of how to implement the ideas.

In February, Nick Hall, a volunteer guide from Bletchley Park told us about his work at the Museum. He explained the mysteries of the Enigma Machine. Most of us were a little lost but full of admiration for the people who worked so tirelessly to break the codes. Police stationed at Denmark Hill realise that the messages they were intercepting between Russia and their spies in Germany came from Hitler. They were passed to Bletchley Park where the code was cracked. Tommy Flowers a Post Office worker, was responsible for building Colossus, the first computer, which enabled messages to be decoded in 6 to 8 days. With various modifications this had improved to 6 to 8 hours by June 1944. It was estimated that because of all this hard work the war was shortened by two years.

This year is the 100th anniversary of the founding of the W.I. There are many events planned through out the country. The Centenary Baton will be arriving in High Wycombe on 26th April and will be walked round the Rye. Pan Mill will be running and Terriers W.I. will be holding a produce and craft stall in the Mill Gardens from 12 noon. There will be displays, activities and refreshments at Stuart Lodge from 2 p.m. Do come along and join in the celebrations.

The A.G.M. at the Albert Hall will be very special but only one person can represent us. However, there will be a live screening at Cine World which will enable a large number of our members to experience this piece of history.

### Future programme

Mar. 26th	Rivers of Fire
May 7th	Resolutions
June 4th	A Chair Maker's Daughter

We meet on the first Thursday in the month at Cedar Park School, Cedar Avenue, Hazlemere at 7.45 p.m. and are always pleased to welcome new members. For further details contact Margaret Rogers Tel 01494 524947

## TIPS FOR KEEPING YOUR PET AT A HEALTHY WEIGHT

Most of us like to indulge our pets with the occasional treat but if they become overweight they can be at risk of a whole range of problems including diabetes, heart disease, skin complaints and arthritis. Weight gain in pets is commonly caused by eating too much, especially when combined with a lack of exercise. By maintaining a healthy weight you can help reduce the risk associated with obesity and help your pet lead a longer, more energetic life.

How can I tell if my pet is overweight?

Their ribs can't be felt without a fair amount of pressure

Loss of an obvious waist (you may even notice their belly wobble when walking or running)

You have had to loosen your pet's collar several times over the last year

Your pet needs a healthy, balanced diet that meets all their nutritional needs. There are special veterinary diets available to suit every pet. Use nature's playground and get your pet outside – there is no better place for them to get some much needed exercise. Indoor play is also important, especially for house cats. Not only will it help keep them fitter but it will strengthen the bond between you and your pet.

If you feel your pet may benefit from a weight assessment then please contact us at Vets4Pets where you can book an appointment with our trained veterinary nurse who can provide dietary and exercise advice. Please call on 01494 443075 or e-mail on [highwycombe@vets4pets.com](mailto:highwycombe@vets4pets.com).

## News from Val Letheren, County Councillor for Terriers & Amersham Hill

It has been a busy time at the County Council with the priority to invest more in Children's services, after the disappointing poor Ofsted Inspection. The number of children coming into care has increased by 10% to around 450 and the number of agency social workers has gone up considerably causing big strains on the budget. The investment required now, as well as our commitment to invest more in our roads has proved a very difficult balance. The result is that the Council tax rise will be 1.99% this year.

Locally Freemantle Road is now down to be repaired as soon as the weather improves and Gerald's Road, Mayhew Crescent and roads off have at last been completed. I have asked for Chippendale Close to now be considered as well as Green Hill and Toweridge Road. Footways need to be done on some of our roads and I have asked the engineers to come up with a way of solving the parking problems in Tyzack Road which get worse every year. Cost limits the choices available. I continue to ask the police to do all they can regarding the boy racers we seem to be plagued with down Arnison Avenue and around. Speed limits are ignored by them it seems but we are still pushing ahead to see if 20mph zones would be a good idea in some parts.

My work at the County has involved promoting the recent select committee inquiry my committee has completed into cyber safety for our young people. It can be read on the Bucks CC website. This has aroused a lot of interest and we soon realised what a serious concern this is and getting worse!. Much good stuff is being done throughout the County and nationally but we soon realised that there is a lack of good coordination in putting all the help together.. One of our recommendations is that we have a named teacher at each of our schools, and a named officer at BCC responsible for making sure that all of our children have access to good training using the websites available to teach them how to be safe on line. We soon discovered that the young people do take risks, and most are sharper than their parents in what they can do on line, good and bad!!! It seems that the best way forward is for parents and pupils to work together to achieve this with the schools, and I know Highcrest School especially is using its senior pupils to guide the junior ones. The number of hours per day we all now spend on line is another concern.

Finally I would like to report that this year I have used my Community Fund to support two of our churches, St Augustine's RC Church and St Francis at Terriers. For St Augustine's I have been able to contribute toward a much needed new piano for the choir, and to St Francis a contribution toward their new lighting scheme which has been part of their recent refurbishment!

Do contact me on [vletheren@buckscc.gov.uk](mailto:vletheren@buckscc.gov.uk) if you have any comments on my report.

## It's our business so we care.

The Partners of Wye Residential gained knowledge and expertise working in the most successful estate agencies in High Wycombe. On the take over of these long established companies by nationwide chains we recognise there is still a need for a local and independent service.

All partners have invested in Wye Residential and our business is built on delivering an excellent service to our clients. If you are looking to buy or sell in

High Wycombe or surrounding areas you can be confident that we will deliver on all aspects of Estate Agency in an honest, open and transparent way.

## "The Big Lunch" in your Road !

Firstly look it up on your PC. This will give you an idea on how it works.

The Big Lunch is now an annual event spreading all over the country and takes place on the first Sunday in June (Sun 7th 2015)

I believe the idea started via the Eden Centre in Cornwall. It's costs nothing to put on and brings all your neighbours together in the early summer.

When you ask around you should find that people like to help, bringing BBQs, spare tables, maybe a Gazebo or two. A leaflet sent around the neighbourhood about 2-3weeks prior explaining what to bring on the day usually does the trick. A bring and share plate of food for each person suffices. Keep your meat or veggie items for your own consumption. Bring your own drink and plastic cups, plates and cutlery and of course some fold up chairs.

If you have children perhaps some things to keep them amused but we have found they soon start to play with others there on the day.

I am sure someone will supply some recorded background music and perhaps you may have a musician or two who might be brave enough to give you all a selection of suitable tunes. We have had a neighbour's grandson who was good at magic. You may have lots of other ideas to try.

In Windsor Drive and Fremantle Road we have had at Lunches for 3/4 years so far and now it's an annual event & fresh faces appear each year and you can encourage others by telling them how good it is.

In your road there may be a green area off the carriageway suitable for the venue. For a road closure some council will assist without making a charge but this needs to be verified, don't just block off the road as you could be in trouble.

You will get lots of advice from the website. Don't forget some bunting if you have any. Let us know through T and T how it goes.

Mike Russell - Fremantle Road

## News from Westminster to Wycombe - Steve Baker MP

There has been lots of good employment news lately, and most readers of Terriers & Totteridge News will know how the numbers of people in work have risen to an all-time high. What I thought would be useful would be for you to know what this means locally.

The total number of Jobseeker's Allowance claimants in Wycombe constituency in January 2015 was 1,069. This represents a rate of 1.9% of the economically active population aged 16 to 64. The figure is 429 lower than in January 2014, which shows a good trend for employment prospects and means Wycombe is in the lowest third of all constituencies for unemployment. There is also good news for young claimants (aged 18-24); unemployment in this group stands at 545 but this is the second lowest monthly total since 2001.

There were 3,405 job openings in Buckinghamshire in January. A significant number of people looking for work (39.9% of all claimants in Bucks) want to be in sales occupations. From the latest economic forecast, it is expected 11,000 more jobs will be created to 2018.

Those people who own their own home may be pleased to know that Buckinghamshire's average house price rose to a new high of £298,867 in December 2014, 8.2% (£20,271) above March 2008's pre-recession peak. Over the last year, prices in Buckinghamshire have risen 11.4% (£30,480). While owner-occupiers may celebrate, I continue to be concerned about the prospects of home ownership for young people despite the good intentions of the Government's Help to Buy scheme.

It is almost impossible at the moment to avoid hearing about the coming General Election in May. For those of you who have very little interest in politics I'm afraid this is going to continue for at least another two months. However, for those who do follow these things closely, commentators agree that the election is the most important one in a generation but is too close to call. I will cease to be the Member of Parliament on 30th March when Parliament is dissolved. I do not want to say anything here which might be construed as being party political, so will only say that I believe Britain needs strong and competent leadership, as there seems to be evermore world unrest which needs this country's attention.

**South Bucks Hospice news!**

The year so far has been one of great excitement, changes and progression for South Bucks Hospice and we are delighted to be able to tell you all about it in this spring edition of T&T News!

On Saturday 7th March, South Bucks Hospice will proudly be unveiling a new addition to our base of 5 charity shops across the county in the form of a brand new book shop in the Eden Centre, High Wycombe. (9 Eden Walk, Eden, High Wycombe). The new shop will sell excellent quality books of all genres plus a fantastic stock of CD's and DVD's at bargain prices. Alongside the sale of goods, the shop will also house an information corner which will act as an area for visiting customers to sit down, read and find out more about the vital work that goes on at their local hospice. As well as gaining information about the services available, visitors will also be introduced to the volunteering opportunities in retail, day care and fundraising plus also all upcoming events in aid of our Hospice. Adrian White, Retail Area Manager for South Bucks Hospice said: "Our new bookshop will be the ideal place for our customers to go to shop and at the same support our hospice. We're excited to bring our new shop to the Eden Centre and look forward to meeting many new supporters once we're open!"

2015 is a pivotal year for us as we begin the construction of our new Community Hospice in June – a project that will make a hugely positive impact in the South Bucks community offering the best in Palliative and Lymphoedema day care services to patients aged 18+, their families and carers.

The location for the new Community Hospice will be where Kingswood School once stood in Totteridge and construction is expected to begin in June 2015. Once the site opens officially in early 2017 there will be a fantastic facility available to people in the covering area with life limiting illnesses plus their families and carers to receive complementary therapies, emotional and practical support, physiotherapy, community outreach and much more.

The running of South Bucks Hospice is supported by the generous and extremely kind donations from local businesses, community groups, individuals and schools and without this support, we could not continue to provide our vital services to patients in South Bucks completely free of charge. We are always looking to engage with new supporters whether you can fundraise for us or volunteer with us and we'd love to hear from you if you would like to get involved.

For more information on all things South Bucks Hospice, please visit [www.sbh.org.uk](http://www.sbh.org.uk) and if you would like to enquire about volunteering opportunities, events or fundraising you can email us directly to [rose.finnigan@sbhospice.org.uk](mailto:rose.finnigan@sbhospice.org.uk)

Well, this is the eighth year and still going strong. I would like to thank everyone for their support. As you can see I'm still striving for that 1st million. Mind you at my prices I've calculated I shall be 170 when that happens!

To give you an idea of prices a lady purchased 11 zips and 2 reels of thread. Branded items she would have paid approx. £40! My price was £6.20. Is that a real saving or what!

Well the Sewing Bec is back. Time to upgrade that sewing machine. Great spring offers.....

## **CHAMELEON SINGLES GROUP**

The New Year began well for the group with a full programme for January & February. Often a time people are more reluctant to go out our hosts made that special effort to ensure some attractive and well attended events.

Our regular events each month include the Lunch Club on the first and the Pub Night on the last Friday of each month. The Lunch Club as the name suggests offers a chance to meet up for a light lunch while the pub night is an evening event held at The Crown in Hazlemere.

Several of our members are interested in live music, cinema and theatre and when there is something of common interest we try to book up as a group. We regularly visit Dusty's Blues Club which has some creditable performances for such a local venue. Events over the last few months include a Take-away evening at home, Coffee Morning and a Pancake evening to mention just a few. There is always a lot going on with around seven different events each month. All events both at home or at a local venue are organised by members acting as hosts.

All our events are open to new members with the Pub Night a great place to meet up. You would be very welcome to come along and join us for a drink on the last Friday of the month at The Crown, Amersham Road, Hazlemere from 8pm. There is food available if you wish to eat and many members take that opportunity to skip the cooking at home!

Our membership includes a number of local people from Totteridge, Terriers and surrounding areas. If you are single, 40 – 60's, looking for a great social life and new friends then why not give us a try? There are no strangers at Chameleon, just new friends to be made in a social group run by and for its members. To find out more call one of our membership secretaries Heike 01494 – 459246 or Joyce 01494 – 817895 or e-mail: [chameleon\\_bucks@tiscali.co.uk](mailto:chameleon_bucks@tiscali.co.uk). Visit us on-line at [www.bucksvoice.net/chameleon](http://www.bucksvoice.net/chameleon) for more information and an events listing.

.....and now on **Streetlife** (The local social Network) too!

### **T & T NEWS NEEDS YOU!**

New volunteer distributors are needed to help deliver T & T News four times a year. We have a number of roads where help is required so why not join our team?

If you can help call us on 01494 463107 or text 07905 888098.

Many thanks! - Distribution Department!

## What's Going on in Girlguiding?

### Rainbows

What do Rainbows do?

The answer is simple have fun!

At 22nd High Wycombe Rainbows the activities created to produce this vary every night, from bubble wrap parties, to making and decorating butterflies. We also try to involve the girls in both local and world traditions. Recently we have celebrated Chinese New Year by making hats and trying out prawn crackers (which went down a treat) and spring rolls (which didn't) and also we celebrated Pancake Day by cooking our very own pancakes in which the girls tried out some very interesting toppings. Whatever the occasion at Rainbows we always have as much fun as possible!

*Imelda*

### Brownies

During this term 3rd Terriers Brownies have been doing their Friend to Animals Badge. They have made posters depicting endangered animals, investigated camouflage, making animal masks and did some acting portraying animals. The girls also visited 'Pets at Home' as a group. Games were played to help the Brownies learn about caring for their pets and they learnt how to check the health of an animal. The best bit was stroking some very cute guinea pigs and rabbits. This was followed by a tour of the shop to see all the animals sold there. The Brownies were surprised to find lizards and snakes (and their creepy crawly live food) along with fish in a variety of bright colours. The 'small furrries' were most popular and these included chinchillas as well as the more familiar gerbils and hamsters. The Brownies have learnt a great deal while completing this badge.

*Julie*

Rainbows are aged 5 – 7, Brownies 7 – 10, Guides 10 – 14 years and Rangers 14 – 25.

**News from St Francis**

It was great to be able to welcome so many people to our Open Day on Saturday 7th February. Several hundred people of all ages passed through the church doors that day and were treated to refreshments and a richly varied programme of events through the day. The Youth Choir and Chamber Choir of Chiltern Music Academy set the day off to a flying start with a half-hour programme of mainly sacred music from different

ages. Sabatini Dance and Theatre School broke into their morning programme in the Church Hall to perform selections from “Annie”. Other music was provided by the choir of Highworth School under the direction of Mrs Liz Martin and a quartet of young string players from CMA. Audience participation was welcomed in items provided by three regular Church Hall users: a demonstration of Tai Chi Chinese fitness exercises, a sample of “Messy Church” (led by Mary Amer and Associate Priest Martin Davis) and a more traditional keep-fit class run by former churchwarden Irena Lowe. Dancers from the LK Ball-room dancing school provided a touch of colour, and the day ended with a service of thanksgiving for the completion of the restoration project led by Bishop Alan Wilson of Buckingham and attended by more than 80 people.

Now we are into Lent. This year the congregation is dedicating its Lent Project to support the work of One Can Trust, the charity which runs High Wycombe’s food bank as well as providing encouragement, support and training in life skills through its “One Can Hope” programme. A number of special fund-raising events have been organised and others are in the pipe-line (keep an eye on the Church website [www.terrierschurch.org.uk](http://www.terrierschurch.org.uk) for details).

## WYCOMBE WENCHES WI

Have you thought about joining the WI but not sure what it is like?

Wycombe Wenchies WI will be celebrating its 4th birthday later this year. We are a small, friendly group of mixed ages, and take the traditional ideals of the WI and infuse them with a modern twist. We have a varied programme which hopefully caters for a wide range of interests.

We meet at the Totteridge Community Centre in Totteridge Drive, High Wycombe, HP13 6UH on the 2nd Thursday in the month at 8pm until 10pm.

Recently we have learnt about wine and lacemaking; (not together of course!) have been belly dancing, fencing, we can cook Caribbean style and know how to take better photos.

This year started with a talk from Jane Dunsterville, a local historian on the 'Mills of the Rye' which was very informative. More so because some of our members had relatives that had worked in the mills. Other topics for the year, to name but a few include: The value of using local produce, The history, production ( and tasting) of chocolate & Confessions of a Public Speaker

As well as the monthly meeting we also have an Additional Activities programme where we go out for meals, take walks, go to the theatre, have Sparkling Afternoon Tea and other outings.

If you are interested in joining Wycombe Wenchies, you can either just turn up to one of our meetings, give Jean a call on 07891 296 631 or email at wycombewenchies@hotmail.co.uk.

**We welcome new members of all ages.**

To find out more about Wycombe Wenchies visit our website: <http://wycombewi.weebly.com/>

## Terriers Farm - the end or a new beginning?

Sadly, it seems inevitable that Terriers Farm will be developed. The green fields, hedgerows peaceful public footpaths and important Biological Notification Site alongside the historical Ladies Mile will never be the same again. The farm links the Terriers Conservation area with the Four Ashes Conservation Area, Kingswood and Grange Farm (part of the Chiltern Area of Outstanding Natural Beauty) but this, seemingly, counts for little against the need for more housing.

The local residents were given an opportunity to put their ideas forward on how the site could be used at a recent meeting at Holy Trinity Church Hazlemere at which the type of housing, road layout, impact on the local road network, schools etc were discussed. If you missed the meeting, I am happy to carry your views forward to a WDC/ residents/developer liaison group for consideration
