Shutehock to

that he could not discover any pot holes in this road & that as a third class road it was in good condition.

Resolution

After discussion the clerk was instructed to forward the foregoing resolution to the Gosport R. District Council

"That in view of the fact that the above road is the only outlet from the Village, the District Council should properly maintain it, also, seeing that one of our members recently counted 67 'Pot-holes' in a distance of 120 yards the Parish Council considers it high time that this road should be kept, at any rate, up to the standard of a first class Rd. Further the Parish

Council desire to call attention to the increased traffic on the said road, & increase in number of residences and in addition they request that the dangerous corner at the <sup>bottom</sup> end of Ricketts Hill should be attended to

Old Lane

Letter from Revue Dist Council 21<sup>st</sup> Aug 26 says that the District Council was unable to depart from their decision as to the drainage of the road man

Proposed Mr H. Kuttler, Liaison Mr W F Pepprell. That this Council considers it their special duty to draw attention to the unsatisfactory condition of Old Lane & also of the gullies & side cuttings. More particularly with respect to the 4 roads which are now discharging nearly the whole of their surface water into Old Lane.

This neglect has been the cause of practically destroying this road which may result in a legal action. As the Tatesfield Green forming one of the boundaries of the said road is under the control of the Footstone Council it seems to us that the District Council should come in the matter — Carried
