Damage to

A letter from the R.D.C. was read regarding the

permits, re making good of road verges. The R.D.C.

was genuinely worried about the way road verges were  
being turned into mud patches by Building Contractors. The  
P. Council considered that some measures could be taken  
by the Planning Committee regarding the making good  
of damage done to road frontages, and to the roads themselves.  
Mr Hodgson promised to follow up the matter when considered  
by the R.D.C.
