To whom it may concern,

Tatsfield Parish Council is preparing a Neighbourhood Plan that will influence and direct development in the parish over the next 15 years.

Neighbourhood Plans are able to allocate land for various uses including residential and commercial development and the provision of recreation space to ensure that the needs of the parish are met.

If you would like one or more sites to be considered for development through the Tatsfield Neighbourhood Plan process, we would very much like to hear from you. This is a different exercise from that undertaken by the District Council and we need to obtain the information independently.

A 'Call for Sites' application form is attached / is available on the Neighbourhood Plan website at <https://www.surreycommunity.info/tatsfieldneighbourhoodplan> or by a link from the Parish Council website www.tatsfieldparishcouncil.org.uk. Please fill in one form for each site and return by post or email to an address at the top of this letter by Thursday 28th February 2019.

Once completed forms have been received, the Parish Council will undertake a thorough site assessment process to identify the most sustainable options.

If you have any queries about the "Call for Sites" process or about the Tatsfield Neighbourhood Plan in general, please do not hesitate to contact the Parish Clerk.

Kind regards,

Nichola Stokoe

Tatsfield Parish Council Chairman
