

Neighbourhood Plan Public Consultations Weekend of 12th / 13th March

Steering group members present as per ROTA

Attendees 30 persons

Comments

- Transport & Infrastructure - Speed humps on Approach Road into the village, no more than 40mph – Christine Stainer
- Congestion & Parking in the Village Centre – Why not have a one way system down Westmore and back out through Paynesfield – Susan Smale -
- Community Aspiration - Sand path up to Tatsfield Green – Dawn Forester Groom -
- If ever the Ship came up for sale could it be converted in to a Nursing Home to help keep older residents together. An easy access for bus.- Margaret Bishop -
- Housing The conclusion even for good reasons is a disappointing result for the young people of Tatsfield future in the village – David Bishop
- Section 8 Target of 2050 much too long **
- Wind or Solar energy should be a priority **
- Housing any new houses should be sustainable and energy efficient **
** Jed Hester -

All email addresses above/below were offered upon entry

A huge amount of work has been put in to this plan I fully support the plan.
Please let me know if I can help in any way Natalie Ruggins -

It's an impressive piece of work Mike Sarll by email
