Three minutes per person with a maximum time spent of fifteen minutes in total.

8.23.04 To discuss a proposal from the Clerk to initiate a Scheme of Delegation for planning comments

The Clerk proposes a Scheme of Delegation be considered by the Council. It would allow the Clerk to comment on planning applications in consultation with all Councillors by email and with a response from a quorum of the Council. This would be used primarily for any applications whose closing date for comments is outside of the schedule of council meetings. This prevents the need to hold additional meetings, unless the application is considered of considerable interest to residents, thus saving the council time and unnecessary expense.
