

## PARKING ON CHURCH STREET

### **Parents and Guardians**

If you drive children to and from school can you please not park on pavements making it difficult for pedestrians to get past.

I have received complaints that some parents/guardians are parking such as this down Church Street meaning elderly people, disabled and mothers with pushchairs and other small children have to go out into the road to get past the offending vehicles. This is not acceptable.

If you live in the village try walking to the school, the fresh air and exercise is an excellent stimulant for the children first thing in the morning and an ideal way to work off a bit of excess energy after school, they also enjoy the time with you, just holding hands and talking about their day.

If people continue to block the pavements I will have no other option than to issue Parking Tickets accordingly.

Hendred is a beautiful village which means some of the roads are unfortunately very narrow so please be considerate.

Many thanks.
