

THORNLEY WITH WHEATLEY PARISH COUNCIL 24 FEBRUARY 2025

CLERK'S REPORT

1. As agreed at the November meeting a Christmas Tree was purchased and was sited at the entrance to Thornley Old School.
2. As agreed at the November meeting the Chairman has made good the area in front of the bench situated at Tile Kiln Corner
3. As agreed at the November meeting the tree in the School yard whose uppermost branches had reached the overhead telephone line has been topped.
4. Details of Prevent Awareness Webinars being organised by Lancashire Prevent Partnership have been circulated to Councillors.
5. A link to Ribble Valley Borough Council's Food Waste Survey has been circulated to Councillors for completion if they wished. I have completed the survey.
6. As discussed at the Parish Councils Liaison meeting in November the Government has launched a consultation on remote meetings and proxy voting. I have submitted my own response and details were forwarded to Councillors inviting them to submit their own responses.
7. An email had been received from the Forest of Bowland National Landscape Sustainable Tourism Officer informing PCs that Consultants working on behalf of National England will be providing an online engagement document to give PCs the opportunity to comment on the Landscape Character Assessment. The email was forwarded to Councillors for their awareness and consideration regarding our participation.
8. An email reminder regarding Lancashire Fire and Rescue Services consultation on their council tax precept was forwarded to Councillors to give them an opportunity to take part if they were interested.
9. An email referring to the Government's Consultation on Strengthening the Standards Regime had been forwarded to Councillors for them to consider if they wished to respond to the consultation.
10. Any further updates received after Agenda sent out.
