It may be published on any village Facebook groups and of course any Neighbourhood Watch Facebook Groups throughout Braintree District.

#### REMINDER ON HOW TO SECURE UPVC DOORS.

There have been a number of dwelling house burglaries in the past month or so which is due to UPVC doors not being locked properly.

Some offences have occurred overnight and the method the suspect(s) are using is 'popping' UPVC doors which have not been double locked.

It is essential that if you have a UPVC door that you double lock it.

Your UPVC door will be vulnerable if it is just shut not double locked.
