UNEXPECTED CALLERS TO YOUR DOOR?

Recently I had an enquiry how to re-act to anyone selling items at your door and I replied that the best way is firstly never open the door to those who are not expected at any time. .

You can use the Nominated Neighbour Card which is available FREE from Braintree District Neighbourhood Watch via this newsletter or should you do open the door please note that anyone who is selling any item ie tea towels and want payment at the time MUST have a Pedlars Licence signed by a Chief Constable .

IF they deny this is necessary they will be wrong so close the door. A copy of the draft Pedlars licence is available please send an email to this newsletter and one will be sent to you.
