TO ALL NEIGHBOURHOOD WATCH CO-ORDINATORS IN BRAINTREE DISTRICT.

Recently I was contacted by a very nice gentlemen who said that he had received the six monthly newsletter through his door but as he has no need for a computer he wondered how he can be part of Neighbourhood Watch as he was told that Neighbourhood Watch is ONLY for those who have access to a computer (which of course is wrong) ! I said that he was right to ask the question and the best way for him to be informed of what is happening locally is by his local NW Co-ordinator. Now I am not asking you to print off this newsletter every week , of course not, but please on occasions can you all think about how we can support such persons who have no desire to have a computer and may feel they are missing out? How do you know if they don't have a computer ? Well ask those on your database – it may be 2021 but please remember that everyone can be part of Neighbourhood Watch with or without a computer . Well what did I do you may ask?

I sent him a letter with a lot of information also the Members Guide, No Cold Caller sticker, wheelie bin sticker, window sticker, Contactless card protector wallet and the NEW Neighbourhood Watch Members badge (4.5cm) which is the ONLY valid Neighbourhood Watch Members badge in Essex!
