So if out driving or walking and you notice men in a van or with a small trailer lurking near a field containing sheep (at any time of day), please do call local Police on 101 promptly and then email this newsletter so we can contact RSW as they may be able to identify the owner and maybe save the police time if it should happen to be a false alarm. A vehicle registration would be very helpful and if you can quote the location too as it will simplify your reporting to 101 and enable RSW inform the farmer who owns the sheep.

FARMS RAIDS

Despite predictions of overnight farm raids in the **WICKHAMBROOK** area this week following CCTV of scouts earlier in the week (see picture above), the police were unable to stop raids on farms in **COWLINGE** in the **early hours of Friday 12th Novovember morning**.
