Good morning residents of Braintree District.

A quick overview of our busy day ahead. Officers have a total of 5 prisoners under arrest this morning for offences including shoplifting, sexual assault, assaulting an emergency worker, domestic assault, threats to kill and breach of a gang injunction. We also have officers preserving two different crime scenes and officers with a prisoner at hospital. Enquiries are being progressed in relation to a missing person and as the day progresses there will no doubt be more incoming demand which officers are ready to attend.

Wish us luck!
