NATIONAL NEIGHBOURHOODWATCH

As Chairman of ECNWA I have access to the National NW database for all of Essex so that anyone who registers can be advised of their local NW District Co-ordinator who will be there to be of help and support. Yes anyone can register with National NW and receive from them various newsletters and information.

IF however you want to be part of Neighbourhood Watch where you live in Braintree District you need to be approved by the Braintree District NW

Co-ordinator. For your information less than 5% of all registered NW members in Essex have registered with National NW and also less than 10% of all Neighbourhood Watch schemes register with National NW ...The reason is that National Neighbourhood Watch never distributes any local NW information of even a window sticker to individuals at any time.

So please let anyone you know that we in Braintree District NW are here to work together to reduce the opportunity of crime.
