A NOTE FROM THE CHAIRMAN OF BRAINTREE DISTRICT NEIGHBOURHOOD WATCH

It has been mentioned to me on occasions why should anyone want to know what crimes have been committed that are "not on your doorstep" ie where you live .

Yes even more than five miles away but are within the District where you live.

My reply is that being part of Neighbourhood Watch is all about knowing what crimes are occurring near you so that you will try to be more effective in looking after your OWN property and help those who may feel vulnerable to do the same. We care about everyone in our communities and Neighbourhood Watch ensures , as often as possible, to keep you aware of crimes which have been reported to Essex Police...

We do try to reduce the opportunity of crime but we also do our very best to reduce the fear of crime too by helping everyone, with a caring and a personal touch, to help them protect their personal property more securely.

That's our message to everyone!!!
