A NOTE FROM THE CHAIRMAN OF BRAintree DISTRICT NEIGHBOURHOOD WATCH

SUSPICIOUS EMAIL : I received two emails on this email address from "a NW member" (who receives the newsletter each week) saying "Hi can I speak to you via emails as I have tonsillitis". I replied yes.

But then the next emails asked me if I used Amazon and then requested that I buy a gift card (a value was not stated at the time) to give a relative who was serious ill as the "person" said they could not do so themselves and they would refund me. Well I replied that I would not do it as I did not know the person at the end of the email and it looks like a scam .I have not heard anything since...Now this was a scam which has been on social media for some time and people sadly have lost funds by treating the person "they knew" with respect...So take care and delete any emails that ask for any funds for a simiar matter..

Please be on your guard !
