Neighbourhood Watch Network (NWN)

They used to be called National Neighbourhood Watch well that was some years ago..but the "old" name still is remembered by so many of you .

In the past year I have advised you that many people register with NWN which is fine as you are entitled to do so...NWN work very hard in raising the profile of Neighbourhood Watch throughout England and Wales and offer workshops on crime prevention and also advice on how to create NW schemes..

However it is important to note that **IF YOU** want to be part of Neighbourhood Watch where you live and receive **LOCAL NW** information and free NW items, not just a window stickers, wheelie bin stickers etc then **it is a requirement** that you apply to your local District Neighbourhood Watch Co-ordinator or Area/Street Co-ordinator **who will be delighted** to welcome you and give you what you need.

So please let everyone know that fact..and email braintreenwsg@btinternet.com or text / telephone 0750 805 7636 to me with your full name and postal address (a sthis is needed to be part of Neighbourhood Watch) and I shall be pleased to chat to you ..
