MAN ARRESTED ON SUSPICION OF SUPPLYING DRUGS

WITHAM Maldon Road

Tuesday 27th January

Braintree Neighbourhood Policing Team executed a warrant and the 19-year-old man was arrested at a house in Maldon Road.... During a search of the house, officers recovered several bricks of suspected cocaine and large bags of cannabis, with an estimated street value of £250,000. The man is currently in custody and our inquiries continue. Inspector Phil Jackson says: "Drugs cause misery and harm to people and attract violence to our communities. My officers work tirelessly to take drugs off our streets and arrest, charge and prosecute those responsible for bringing them here. But we do need the help of our communities to do this so please, if you have information about drug supply or drug dealing in your neighbourhood, please let us know.

You can do this online via our website or by ringing 101. If you wish to provide information anonymously, you can do this by contacting the independent charity Crimestoppers on 0800 555 111."

TWO ARRESTED AFTER POLICE PURSUIT WITHAM and MALDON AREAS

Monday 26th January 20:20hrs

Two people have been arrested after a driver failed to stop for police in a car we believe was stolen.

Essex Police detected a Ford Mondeo believed to be using cloned registration plates.

After signalling the car to stop it attempted to evade police and a pursuit was authorised, heading into **Blunts Hall Lane**.

The driver lost control of the car and the two suspects decamped from the vehicle before the driver was arrested at the scene.

A 17 year old was arrested on suspicion of driving under the influence of drugs, dangerous driving, failing to stop when directed, possession of a Class B or C drug, and theft of a motor vehicle.

Essex Police traced the second man, a 33 year old from Heybridge to a nearby address in Witham and arrested him on suspicion of theft of a motor vehicle. There was also a court warrant for his arrest for a charge of harassment.

Essex Police said "Inside the car we recovered further sets of number plates and a crowbar from the car, and we established the vehicle had been stolen in the Dagenham area in December.

Head of Roads Policing Adam Pipe said "This is a perfect example of the importance of roads policing - one offence leads to the discovery of several more
