BRAINTREE DISTRICT

Neighbourhood Watch Street Signs-great news!

This week I was advised that my application to the Essex Community Foundation was successful and that we shall receive a grant of £500 towards the purchase of Neighbourhood Watch Street signs. ***These funds were in fact awarded from the Essex County Fire & Rescue Service Charitable Fund.***

The signs will help to raise the profile of Neighbourhood Watch more in Braintree District and have the full support of Essex Police !.

The signs and fittings are available on request by any Braintree District approved and established Neighbourhood Watch Groups by applying to me Clive Stewart, Chairman of BDNWSG via this newsletter and emailing your full details of the NW group.

Firstly you will receive an application form from myself which is to be sent to Essex Highways who will approve the placing of the signs on appropriate posts .

The good news also is that you are covered under the National Neighbourhood Watch Public Liability Insurance Policy to place the approved signs, which are plastic with plastic ties, on appropriate posts.
