**Another two people have been added to the distribution list this week...**

**A number of those who receive these newsletters either edit out "incidents" that are not in their village or a few miles away or do not distribute the newsletter.**

**Please this is not what Neighbourhood Watch is about as those who commit crimes do not have any borders and they do travel in all directions after they have committed a crime.**

**So if anyone has any information it is always best to telephone the Police on 101 or Do It Online with what you have seen.**
