NEIGHBOURHOOD WATCH ADVICE

No apology as yes we have shown this specific advice on a number of occasions but there are still dwelling house burglaries and attempted burglaries in the past few weeks.

Suspect(s) have targeted properties overnight.

The method used by the suspect(s) is 'popping' UPVC doors which have not been double locked.

Please it is essential that if you have a UPVC door that you double lock it. Your UPVC door will be vulnerable if it is just shut not double locked.
