GOOD NEWS FOR BRAINTREE DISTRICT

I am delighted to say that that a new Neighbourhood Watch Group has been formed in Braintree District. The new Co-ordinators, who are husband and wife, have not only taken a number of street signs ten (yes 10) signs have been placed on appropriate posts already - see photograph above) but also they received plenty of window stickers, members guides, six monthly newsletters, new large Neighbourhood Watch members badges, No Cold caller stickers, Nominated Neighbour cards which prevent anyone, who may feel vulnerable of any age, opening their doors to unexpected visitors to distribute.

They were also given two Hi Vis vests (which were funded by Essex Police-ACC Mr. Andy Prophet) and as well as two special badges to identify themselves as valid the Neighbourhood Watch Co-ordinators in their area.

It is important to note that these badges are only available from myself and cannot be purchased from any website.

Why is this great news?

Well I have been trying to resurrect Neighbourhood Watch in that area for some time and this recent success has been due to PCSO Terrie Johnson who gave my details to the two persons. As you know we always appreciate the support of Essex Police at all times.

Finally please note that the signs have the logo of Braintree District Community Safety Partnership as they often contribute to the purchase of the signs which is very much appreciated.
