TWITTER OR NOT TO TWITTER?

The editor of this newsletter is now registered on Twitter! Once he started he began by "Following" Essex Police and even individual Police Officers and PCSO's.

It was evident almost immediately that this was a great way of not only knowing what your local Neighbourhood Policing Team actions on a daily basis but also for you to communicate with them on those matters too.

Twitter is NOT replacing non-emergency calls on 101 or "Do it Online" and certainly NOT replacing calling 999 in emergencies.

BUT it opens up your awareness of the excellent work that Essex Police achieve each and every day in their own words too.

So why not register and then "Follow" Essex Police you will be pleased that you have joined Twitter!

If this newsletter editor can do it - so can you!

Finally why not also look at Facebook too?
