  - ✓ General

- ✓ Voice Forums

- ✓ Show & Tell – Kingston Carers Network

- ✓ Some specific queries – test sites & menu structures

- ✓ Next steps for User group & Support resources roadmap

Digital Foundations

There are many ways we can help small community organisations make sound choices about the digital tools and technology they use.

Communications made easy

Raise your profile using digital tools to engage supporters and fund your future

Read more »

Digital basics

Work and collaborate online using free and affordable digital tools and technology

Read more »

Websites for communities

Put your website at the heart of your charity or community organisation's story

Voice website in 7 weeks

✓ A new training programme to help small London charities and community organisations set up their own free website

✓ Training will take place over seven weeks, starting in January 2023, and is funded by the National Lottery Community Fund

✓ We know that time is precious so we are running approx 1.5 hour weekly sessions

✓ Register interest here – please share if you know of organisations who need a website

Next steps

✓ Documentation & Help – promoting what already exists

✓ Co-designing with the community - what other support resources would you like?

  ✓ Videos?

  ✓ How to's?

  ✓ Example sites?

✓ Help us develop and test out different options

✓ Share what you've done in future User Groups?

✓ What topics would you like to focus on in the next User Group meetings?

  ✓ Feb & Apr 2023
