

Wakes Colne Parish Council – Internal Auditor’s Report for Financial Year 2015-16

Last year I wrote a full report and made a few suggestions. I hope you feel that that the accounting system being used provides the information you need. If you do have any questions or suggestions for improvement, your clerk and I would be very happy to receive them.

This year working with your clerk has been a joy and there is nothing of significance that I would like to (let alone need to) bring to your attention.

The Council’s record keeping and compliance with Financial Regulations and good practice are exemplary.

A handwritten signature in black ink, appearing to read 'John Reddington', with a stylized flourish at the end.

John Reddington
